INDIVIDUAL ENTERPRISE.

U. S. PORTABLE BOAT LINE. For the Transportation of Merchandize to and from

Pittsburgh, Bultimore, Philadelphia, New Yort, and Bos-ten. Turnigh in the shortest time. THIHE United States Portable Boat Line, is composed of Boats built in four sections, each section capable of containing seven tons, and susceptible of being separate thus, as it were, forming a complete train of Cars, or presenting the novel appearance of a Boat sailing on land and thereby avoiding the great delay occasioned by re" shipping at the several juctions and terminations of Ca nale and Rail Roads, the expense of transhipment and the damage the goods - ustain by frequent handling; and impossible to separate tots of gonus on th way--owing to the pecutiar construction of the Boat having four separate apartments in which goods are sto red, renders them less liable to demage goods by water o therwise than by any other mode of transportation.

The system of Transportation, as recommended by the Canal Commissioners and lately adopted by the State. refers particularly to this class of Boats. The Boats of this Line are owned by recognisible captains that ruhem, and is the only Line now to operation free from pengodies or combination. Goods consigned to the undersigned agents will be r

ceived free of commission and shipped without detay a the lowest rates. All charmes paid and every instru promptly attended to. C. A. M'NELTY & Co. Agis. Canal Basin, Pitts F. F. POPE, Agent. 75 Bowly's Wharf, Baltime

THORN'S TEABERRY TOOTH WASH-A Me Insalizable Remedy .- The extreme beauty of the erth, their indispensable use, and the frequency of their decay, has led to many inventions for their preservation et how to pre-serve them in a state of bealth an pristine auty, to the latest periods of existence, was entirely unknown until the discovery of the above invatoable preparation. It forms a pure tincture composed of weg table ingredients, and is possessed of the anget delicious or. It eradicates tartar from the teeth, removes spot of incipient decay, polishes and preserves the enamel, to which it gives a pearl-like whiteness, and, from its disin ecting properties, possesses the virtue of giving sweetnes

As an Anti-Scorbutic, the Gumentsosbare in its trans codest powers; Scurvey is eradicated from them, a beathy action and redress is induced, which offers to the e of the medici practitioner indubitable evidence of helr healthful state. It has been examined and used by everal of the best physicians of this city, who have no estitation in recommending it as an excellent wash for be Teeth, Gums.etc.

Among the recommendations to the above are the fol-Having tried Dr. "Thorn's Tex Berry Tooth Wash." me acquainted with the incredients of its comp sition, I chewfully say, I consider it one of the sufest, 2 t is oil of the most element. Thath Waster now in use, Fittsburgh Sep. 15, 1842 DAVID HUST, Dentist I take pleasure in stating, having made use of Thorn' Tea Berry Tooth Wash," that it is one of the best des trifices in use. Being in a liquid form, it combines next ness with convenience. While it cleaners the ename and removes the tarter from the torik, its perfume velfragrance peculiarly desirable. J. P. PIBBETTE, M. D. The anderrigued have used "Thorn's Compagnal To erry Tooth Wash," and have found it to bean an y place at destifrice, exercising a most sulphary light ence over the Teeth and Gome; preserving those influ-panishes members from premature decay, presenting the consistion of Tariar, and parifying the Breath. He g theroughly tested its riffnes, we take pleasure in r

ling it to the multic, believing it to be the best a

DE GEORGE PELIES Passity Species Filts. - Dil. : FELIE of Youngetown, Westmoodand Opputy. PELLE, of Tonnestown, Westmoreland County,
wealth ment respectfully informs the public, that he has
made one of the most important discoveries in medicine dipuly the use of Ennistre's Pits. It distingly now
ever known, and which will be regarded hereafter as
forming an epoch in the art of healing.

After an arriogs application of years, assisted by the
less medical writers and the lights of contracts.

est medical writers, and the lights of experience, drawn and yet so thorough the rapetutick in quality, that it will being diff every, pay, that he was taken to in use.

The medicine is so nicely proportioned—its being diff every being so bed in the was taken to expense the component ingrediments are so accurately adjusted, that is the to be p himself, and was taken into the factor of the contract of the component regretiments are so accurately adjusted, that the role in the city of Roston. That the is operates upon theorems, parts, and vessels of the system with name of the city of Roston.

the vitiated nudarid hiles, promotes a healthy secretion, and soon restores that all Important riscusto a natural condition, and wholesome activity. In complain omach, it is particularly valuable. It cleaners it of all was there physicked with all sorts of me sorbid and pecnicious matter, increases the appetite, and od of four months, milering all the time the through the stomach, gives tone and vigor to the whole

inds in this medicine its greatest enemy. A course of these pills will compirtely cure the most inveterate case of less attended him from the commencement of miles access of chronic Dyspensia, and when the disease is only in its earlier stages, a few doses with eradicate it, and banish all its symptoms; the paintation of the heart, giddinese, mares of sight, eructation, wind in the howels, nervo which afflict the unfortunate sufferer. Disorders of the mucous membrane, like those drastic pargatives known

y the name of patent pills," Castritic and cuticular affections are cured in ime by a proper use of this invaluable medicine. It consas the pores of the skin to be opened, removes excresen ces, and dispels incipient disease by producing a natural

The Diebetes and all other diseases of the prinary or gans will be cared by the use of this medicine without any noxious effects. In the diseases of children they will be highly beneficial, especially during the time they are geting teeth, at which time infants suffer the most. But not alone in these diseases are their curative erties powerful, but many others have vielded to their foreible efficacy. Coughs, colds, consumption, diarresalt æmorrahage, opitensy, paratysis, headache, piedrisy,

disease, and pains in the back and limbs, are all radically cured by a course of this med But in those complaints which are incident to females particularly at the turn of life, these pills possess the realest sanative power: Plour alban or the whites chot Orosis, or the green sickness obstruction of the mone ous severe pains, which affliet women at the climacteries and the nausea and disagreeable sensations accompanying pregnacy, will be totally dispelled by this medicine. Is there any thing so beautiful as a clear complexi

glowing with all the bues of health, and outblooming the rose? Do ladies desire the possession of this trensure? Then let them hav, and use occasionally Dr. Felix's Pills, for they are one of the best cosmetics, or beautifi. ers in existence. They parify the blood remore all pimples, eruptions and blotches from the skirt, drive the hite from the system, and thus render the complexion clear, rich, and transparently fair.

In the use of this medicine, no attention need be paid to diet, nor should there be any dread of exposure to the street, an a-sortment of the very best flats, which then

The notice of the public is particularly called hing, that nolike the common purgatives, and patentpills of empiries, they produce little or no pain. The system is purified, the tone of the stomach restored, and the various organs brought again to a state of healthful act on the use of common remedies. The internal covering which extends from the gullet to the anus, is too frequent ly injured, if not entire destroyed by strong draw ic pure But this is not so with these pills, for they are gentle in their operation that they link themselves wit nature and only lend her an anxilory hand. Testimonials of the best kind can be adduced, if neces SATV. to prove Dr. Pelix's skill, his long study, his great xperience, and his eminent success in practice. Num
