ther giving or taking offence. Give and take is one of my favorite stime. But I em no advocate for giving offinee, or taking it under any circumstan

Jahruntte for me, my brother in-law the Captain gave a manufe lie direct. and took from him a blow in the lace with so the a challenge was the imwood; in wie I pleaded and expostulated; was compelled to acquiesco.

It was a desperate wase, and I was resolved to resort to a desperate varsedy, strays sympathising with the Lady who gernad, that bonded; or not loaded, it in to off of itself. I minutely examin. ed the brace which were to be used by the consepting parties, and with some difficulby L procured a pair by the same miker, precisely similar in every respect. Theseprimed and loaded separtling to my well acquainted with this part of the forand expediency in such marters: and the market morning I salled forth lock The morning was thick and misty. and the was a duzling raid. The other was closked like myself; everything the manouvre which I had project with a palpitating heart and tremhandil substituted the weapons which

be ground was measured, and the comand taken their positions: I look rd un dreading nothing but the noise of the separt; I shut my eyes, as I always do when near exploding fire arms, and whon I looks i up again, my brother in law, the Captain, was sprawling on his back with his face covered with blood. It was not his own blood, however, nor

was it the blood of any human being; it had been procured by me from a poulterer; and though the bladder in which it had beam accured, and which had been inserted in the muzzle of the pistol, coming with Well, you Sir, are you cock sure nofurth against the fixed of Captain Slipslop, body will come upon us? had caused him to fall on his back, and though, when postrate, sanguinary effusion sande him believe himself half dead yeting real harm had been done, and the igitated opponent, who knelt over him, inwardly resolving that he would fly the courty as soon as the viral spark was ex- Friend. ting, soon uswithe captain rise and shake himself declaring that, though covered with blond, he was, strange to say in a whole thin! There had evidently been a has practised upon them! They were said distaly friends, and both ungreatful vawed vengeance against the scoundret, mover he might be who had saved one

shoth of their lives. as a such as I heard the turn which the continuation was taking, I slunk away; and manketo my heels; suspecion had already Hen upon me, and my abrupt departure red proof positive of my delin-

I where that that much signified for of course, I would not go. I got acvail on my dear Caroline to interfere in my held; and even when she did become my champion, she overwhelmed me with contemptuous abuse, and for a long time rencared my home anything but agreeable.*

Minfertune follows some men with astonishing perseverance, and I have not yet finished my detail of Secondary trouble We left Dorchester shortly after the events which I have narrated; my wife and that I had rendered myself the laughing stock of the neighborhood; and her word being the law of the house, we moved to a very pretty villa in the New Contains My amighte Caroline was fond of yachting; and having formed an intimacy with a gentlemen of the Yacht Club, who mails Southampton his summer head quarterminated frequently opportunities for the indulgence of her taste. I never joined the party; not that I am sea-sick, but there assume to be so much danger in plaything ships, with amateur saliers, on the real van deep. I therefore und to ramble listlessly through the shady and nufrequen sed paths of the New Foresquad there I pace met with an adventure which nearly frightened me to death.

in the midst of a dark and gloomy thicket 1 oue day came, suddenly upon three poster dooking men, who eyed me suspiwill and then asked me the nearest Boothampton, I believe I trembled from head to foot, while I gave a civil but almost incoherent reply. They allowed me to pres, and then, though they had and with wehement jestures, and one of them, to my bortor, quitted his companione, and coming to my side thus most constantsly addressed me:-

I am quite ture that I am addressing a I made no suply, but I thought my last

hoor was approaching. from certain, he continued, that one who is avidently accustomed to the usages of the best society, will not suffer me to to prison. want a friend on the most important occaion of my life.

A friend Sirl' said I. Yes, a friend: Friendship, in its general ale you will, assist me; pay, Sir, you

1 took a long breath, and thought I should have fainteday began to be Excuse me for my vehenence, he ad!

ded, I am a desperate man; and it is in your power to prevent the commission of marder.

Such in incident did actually occur some party ago in lecture; but in that instance the second was decent in technical principal.

Gentleman!

Yes, Sir, Gentleman! Do you presume to suppose, Sir, that had he been anything se I should have done him the honor and pleasure of accepting his challengel Are you not aware, Sir, that the Lords and gentlemen of the Yacht Club wear that costume?

'I beg your pardon,' I murmured. Pardon Sir! mever that is, never un ess you accede to my proposal. Anything! - name it!

That gentleman has brought his second i h him, mine has disappointed me, you st take his place!"

·f take his place! Yes - I have already said that you mast dis so, and I hear of no refusal. Are you

Y-y-es,' I stammered. 'Are we near any road at present?'

'Not very far.' Then lead us to an unfrequented spot, where ever the report of a pistol would be unheard. Do you refuse?' cried my new friend furiously.

'Oh dear no,' I answered; and more dead han alive I led the way. He gave a signal to his opponent, when his second followed us. I sitently led them to a very remote sequestered spot, and intimated that I had obeyed orders, merely by

standing stock still. 'Are you certain that we are not likely to he interrupted here?"

'Quite,' I replied. Then here we will remain until the oth-

ers join us.' They soon came up, and then the Gentleman in the blue jacket, whose face and manners were even rougher than his diess,

'Čertain, Sir,' I replied. This is a very out of the way place, is fully performed. ?' said his second.

Uncommonly so, I answered. They can't even hear the pop of a , is-

tol, hey, from the road?' inquired MY 'Impossible,' I responded. Then, continued he, you chicken hearted son of a Tom Tit, give us your

watch and your money, or we'll blow your brains out.' They all vociferously surrounded me, taking from me every farthing I possessed, my watch and seals, and a valuable guar ! chain, (what a misnomer!) a diamond ring, a torquoise pin, my coat and waistcoat, and my hat. They then wished me a good charge the duties confided to him. morning; my Friend, the moment my back was turned, gave me a violent kick, and as I ran as fast as my legs could carry

me through the forest I heard

TES. PHILLIPS & WE. H. SMITH, EDITORS AND PROPRIETORS WE NESDAY, OCTOBER 5, 1842.

See First Page. something for Farmers.

inployed in agriculture in the United States as there are in all other employments in the aggregate. And notwithstanding this, their interests are forgotten by legislators in their zeal to press laws for the exclusive benefit of Merchants, Manufacturers, Capitalists &c. which laws, in nine cases out of ten, are injurious if not destruc ive of the interests of the hard fisted agriculturist.

The following, from the census of 1840: shows the number of persons employed in he different divisions of labor:-

flie attietent ataistons of 19001.	
Agriculture	3,719,961
Mining	15.950
Commerce	118.606
Manufacturing and trading	791.73
Navigation of the ocean	55,02
N avigation of canals and lakes	

Learned professions and engineers 65,255 Louis Giguer, whom we noticed a few days since as having attempted to rob the New York Custom House, has been found previously appeared on the most friendly guilty in the U. S. District Court, says the and confidential terms, they spoke loudly N. Y. Standard, for first stealing silk goods from the cases, on board the ship Oneida, on the voyage from Havre to New York, and then attempting to steal the gnods from

the Custom House, in order to avoid paying the duties. He was one of the crew of the Oneida. He was caught in the act of putting the goods out of the back window of the Public Store. He has been committed

Imported Prize Righters.

The New York Standard says that an other of the prize fighting gentry, we are less of the not to be kindled in ar hour, told, came over in the British Queen. His but in the sense in which I now use the name is "Johnny Broome," and it will be Friend you can, and I feel quite well to keep in eye upon him, for we find his name chronicled a duzen times in "the sports of the sing," in Bell's Life in Lon-

> "Screw Bolts."-This is the title of an association of young rowdies in Baltimore-Rieven of them were arrested at one haul by the police and committed for trial

Size with the intent of giving of te. have already several sheep in the northern caiving a challenge, and he was held to part of the State; a carding machine was the Duke of Hamilton and Brandon, Lord bail in \$5,000 to answer, which he gave started some time since, which is doing a and was discharged from custody.

A person named Phelps, who was be matter of the Webb and Marshall duet, which the editor thinks, will, with the help real Highland reception awaited them. refused to answer the questions put to him of their "pretty wives and children," drive on the ground, that to answer would have every vestige of "hard times" from the a tendency to degrade him in the estima- sucker State, tion of all honorable men. The Court decided that he was bound to answer, but Phelps stubbornly refused to do so, and he was committed to prison for ten days for the alleged contempt. C. F. Daniels, an fore the rivers are closed with ice. To this, assistant editor of the Courier & Esquirer. Bryant replies-We think that the laborwas a witness in the same case, and at first appeared as determined as Phelps in refusing to answer questions propounded first of November, and there happens to to him, but after understanding that he would be sent to "limbo" if he persisted in his contumacious conduct, he answered all questions that would not implicate himself.

Webb who attempted to murder Marshall with the pistol, will now, it seems, have to take his chance with the pugilists who participated in the murder of McCoy administered there will be but little dif ference in the punishment meted out to the bully in ruffles and the bully in rags.

John A. Brynu. The appointment of this gentleman to he office of first Assistant Post Master General, will insure to the Department a competent, lionest and efficient officer, and give an assurance to the public that so far as his efforts can reach, the business of every branch of the department will be faith-

Mr. B. comes from among the sterling democrats of Ohio, where he has long oc cupied an important position in political affairs. He established and conducted for several years, the "Columbus Sentinel," the leading democratic paper of Ohio, and he was subsequently elected Auditor of State, by a democratic Legislature. His present appointment will be highly gratifyderive from his eminent abilities to dis-

The Rev. Dr. Pise, an eminent clergy man of New York is at present on a visit says, in a letter to a friend. "Indeed, favorably impressed as I had always been to wards Ireland, I never thought that what is fency in her poetry, would be so realized in life. The people, whole souled and generous -the clergy, learned and talthis season - every thing in a word, per ly escaped. There are three times as many persons feetly to my taste and disposition."

Ship Burnt at Sen! On the 30th, of August the brig Impulse

on her voyage from Biltimore to Kingston. Jamaica, fell in with the ship St Louis, of and from Boston for New Orleans, on fire. and took from her the captain, crew and its surmise is correct, Mr. Hugh Duff declines bepassengers, twenty-four in number. So rap ling a candidate. This is the fourth declination id was the progress of the flames, that be fore those on board the Impulse had lost sight of the St. Louis she had burned to the for the "public eve."

The fire was discovered in the ladies' cabin about seven o'clock in the evening of the of the 29th. The vessel hid therefore been on fire all night and part of the next day, before she was fallen in with by the Impulse. What a night of horror that must

The ship Impulse cast away .- Four days ifter the burning of the St. Limis, the Impulse was cast away on the Gavugus reef, and vessel and cargo were total loss. All on board were saved and arrived at Turk's

The barque Talent was also lost.

St. Louis Scrip. The "Era" of the 23d, contains a table irnished by Mr.Simpson,the Comptroller which indicates that the scrip issued by that city, is becoming more valuable than t was a short time since.

The St. Louis Mound city says that the smelting of Copper Ore has been reduced o a regular business at Mineral Point .-At one furnace, five hundred pounds are produced daily. The ore yields from 13 to 18 per cent. Three furnaces are in op give up their favorite; they show game to the last. Ripton was evidently 'out of fix' in his last race;

The Lead business is improving in St; Louis. On the 23d, sales were made at \$2,511 for cash.

Getting scar al again - Pue Prove Chronicle of te 30th sava-We heard of several Dorrites yeserday in our streets stating that in less than three months, the "Algerions" would be glad to get sale in harness - Piches t. ly out of the State. Pray, what is the mutter?incident did actually occur some

tolerably fair business, and we learn by the Ottawa "Free Trader" that a Mitten fore the Grand Jury to give evidence in the Factory has been established at Mat. place.

Decidedly Good .- The New York A. merican very affectionally exhorts laboring men to remove to the Country "where the means of living are always attainable," being men may safely stay a few weeks longer. The livers will not close before the be an election about the beginning of that month, in which they will give their votes for the democratic candidates

The N. Y. Aurora neks "what the dis a democratic Whig?" Who can tell?

A man named Bardsall is about to pub. lish a work entitled "A History of the Loco at the late prize fight. Both parties are Focos." We will get a copy, so that we alike guilty, and if the laws are impartially may while away our leisure hours in counting the lies.

Ominous - When Corwin the candidate of the feds of Ohio, commenced speaking at the "Virging Heifer " Convention at Dayton, a heavy shower of rain came on and compelled his auditors to fly to all quarters for shelter. This was hard enough, but is nothing to the shawer that Corwin and his party will have to encounter next Tuesday-the torrents of democracy that will pour down on whiggery on that day, will sweep poor Corwia from the Executive Chair, and purify the State of the traitors who at the late extra session, to gratity their party feelings, outraged the first principles of a republican government. Next Tuesday the traitors will secure their reward.

Quite Probable .- The Advocate says that the number present at the Dayton Convention was estimated at "one hund ed thrusand."

More Rumonrs.

Almost every mail brings us some fresh rumors of important changes at Washington. The last comes by the N. Y. Tribune, which states that the Hon. Walter ing to these who know his worth, and can Forward was to leave the Treasury on appreciate the advantages the public will the 1st inst., to make way for Mr. Cushing. of Massachusetts.

A Van Diem in Prisoner. Mr. Samu I Chandler, who was sent to Van Disman's land, for the part he took in the Canadian rabellion is now in New Volt. He is a war maker by trade, fifty years old, and has a wife, he gas tight. six sons and five daughters. His native place is Hartford county, Conn , but he settled near Chippewa, in Canada, in 1818. He served as a Colonel in the revolt of 1:37-8, was taken at the Short Hills, tried at Niagara, sentenced to death, bu reprieved by Lord Durham, and sent off with John G. Parker, & others, via Quibec and Engented -the climate, exquisitely delicious at land, to the I-land from which he has so happi-

Who is David Duff?

The workingmen have a person of this name on heir ticket and they say he resides in Ohio town ship. The Gazette save that there is no person of the name of David Duff living in that toxnship, and supposes that the workingmen intended the nomination for Mr. Hugh Duff, and adds that if well as the people at large, do not appear to place much confidence in a party that has no principles

Nearly all those who had any agency in the Prize Fight have been arrested.

We believe that a kind word at a roper time and place spoken, might have prevented every suicide that ever took place since old Adam lost his character in the Garden of Elen.—[Cin. Sun.

Did you say all that yourself, Greely? John Tyler has turned out an unmitiga-

ted traitor and reckless hypocrite.—N. Y. Courier.

So he has. He has turned out Jona than Roberts.

Editors looking up .- The editor of the Hempstead Inquirer has been made a corporal in the militia. He has introduced a reform into his corps, and forms a line by

making them toe up the rails of the rail
