INTERESTING CURE performed by Dr. Swayne's Compound Syrup of Prunus Virginianu, or Wild Cher-ry. Having made use of this invaluable Syrup in my family, entirely cared my child. The symptoms were wheezing and choking of phlegm, difficulty of breathing attended with coustant cough, spasms, convulsions, &c of which I had given up all hopes of its recovery until I was advised to make trial of this invaluable medicine. After seeing the effects it had upon my child, and concluding to make the same trial upon myself, which entirely relieved me of a cough that I was afflicted with for many years. Any person wishing to see me can call at ouse in Beach Street, above the Market, Kensington.
