DAILY MORNING POST.

THE Subscribers having made arrangements to merge the American Manufacturer and Pittsburgh Mercury into one Journal, have concluded to publish a daily paper with the title of the *Daily Morning Post.*

The leading object of the "Post" will be the dissemination and defence of the political principles that have heretofore been maintained by the Editors, in their respective papers, and their best efforts will still be devoted to the advancement and success of those doctrines.

Although, in politics, the paper will be thoroughly democratic, yet the Editors hope, by giving an honest, candid history of passing Political events, Foreign and Domestic Intelligence, and brief notices of all matters and occurrences that come properly within the sphere of a Public Journal, to make their paper sufficiently interesting to entitle it to the patronage of the public, irrespective of party considerations.

In addition to the political and general news that will be found in the "*Morning Post*," the Editors will take pains to furnish the business community with the latest and most interesting Commercial Intelligence from all parts of the country, and to have prepared such accounts of the Markets and the State of Trade as will be advantageous to our Merchants and Business Men in their several callings.

Terms.—The Post will be published on a large imperial sheet of fine paper, (manufactured especially for this Journal) at the unusually low rate of FIVE DOLLARS per annum, payable in advance. It will also be sold by news boys at the low rate of TWO CENTS a copy.

Advertisements will be inserted at the lowest rates charged by the other daily papers of the city.

☞ TWENTY active lads are wanted to sell the Post, who will be engaged on the most liberal terms

TO THE WISE.—It is now well understood how much disorders of the mind depend for their cure upon a due attention to the body. It is now understood how valuable is that medicine which will remove morbid accumulations without weakening the bodily power. It is now understood that there is a reciprocal influence between the mind and the body. It is also understood that purging with the Brandreth Pills will remove a melancholy, and even insanity is cured by perseveringly using them: It is now understood how much domestic happiness depends upon the healthy condition of the digestive organs.

It is now well known that the Brandreth Pills have cured thousands of hopeless and helpless persons, even when the first physicians had pronounced them beyond all human means of relief. It is now not only well known that the Brandreth Pills so cure, but it is also understood how they cure; that it is by their purifying effect on the blood that they restore the body to health.

The value of the medicine is becoming more and more manifest, it is recommended daily from family to family. The Brandreth Pills remove in an almost imperceptible manner all noxious accumulations and purify and invigorate the blood, and their good effects are not counterbalanced by any inconveniences, being composed entirely of vegetables they do not expose those who use them to danger; and their effects are as certain as they are salutary; they are daily and safely administered to infancy, youth, manhood, and old age, and to women in the most critical and delicate circumstances. They do not disturb or shock the animal functions, but restore their order and establish their health.

Sold at Dr. Brandreth's Office, No. 93, Wood street, Pittsburgh. Price 25 cents per box, with full directions.

MARK.—The only place in Pittsburgh where the genuine Pills can be obtained, is the Doctor's own office, No. 93 Wood street. sep 10

DR. J. B. TIBBITT'S, Respectfully inform the citizens of Pittsburgh and vicinity, that he has returned to the city. He hopes to share the confidence of his former patrons and the public generally; and solicits a renewal of a portion of their patronage. In connexion he would observe, that the operation of Lithotrity, for breaking the stone in the bladder and allowing it to pass off with the urine, is every where commanding the deepest interest. He hopes to extend the benefit of this branch of his profession to the afflicted. Strictures, Diseases of the Bladder and Kidneys,—which occasionally follow,—will likewise receive attention.

Those from a distance wishing further information will apply personally or by letter, or if desired can be accommodated at his dwelling, in a retired part of the city, on Third, between Ferry and Liberty sts. sep 10

THE LITERARY POST.

For the Morning Post.

Whilst in my room one Sabbath morn I lay,
I heard the bells for church thus ringing,
And looking round and hunting for my hat,
I also heard them in the next house singing.

Just then this thought, came in my head,
(For those singers they were badly paid,)
How much alike to life when one is dead,
Unto the service which in church is carried.

First comes sweet maid with its gentle step,
Teaching and repentance then comes after,
So when the first sweet streams of youth are flown,
Then comes the teaching without any matter.

At first, indeed, you do but hear "my child,"
And all that's sweet as music to the ear,
But soon alas! you hear in raised voice,
And all but music, "how I hate my choice."

"Oh! how I wish I was but alone,
Or that I had but listen'd to my reason,
But ah! too late, my folly now I own
And for repentance I've full long season."

Still how can we keep clear of womankind,
Unless indeed we ever have in mind,
That she (though fair) when on the serpent trailing,
"Was once beguiled, is ever since beguiling."

Now when man against his judgement writes,
He then the lash of critics sure invites,
So have I wrote, I now lay down my pen,
When you've discussed this I may call again.
