For publishing a new Dails Paper in the City of Pitte It is painful indeed to the reflecting mind, DAILY MOBNING POST. while perusing the English journals, to be forced to know that thousands of fellow THE Suberiliers having made arrangements to merge the American Manufricturer and Pittsburgh Mercu beings are in a state of starvation and the most wretched misery, in a land too, breery into one Journal, have concluded to publish a daily aper with the title of the Daily Morning Post. The leading object of the "Post" will be the dimenia

tion and defence of the political principles that have here tofore been maintained by the Editors, in their respective naners, and their best efforts will still be devoted to the ivancement and success of these doctrines.

PROSPECTUS

Although, in politics, the paper will be theroughly democratic, yet the Editors hope, by giving an honest and d history of passing Political events, Poreign gence, and brief notices of all man and Domestic Intelli ers and occurrences that come property within the andere of a Public Journal, to make their paper sufficiently ereding to entitle it to the paironage of the public, in respective of party considerations.

In addition to the political and general news that will In monitor to the pointant and general news that will take be found in the "Merring Post," the Editors will take pains to families the implement community with the latest and most interesting Communicat Intrattionwer from all parts of the country, and to have prepared such accountry of the Markets and the State of Trade

ews.boys at the low rate of TWO CENTS a copy. Advartizements will be inverted at the lowest rates charged by the other daily papers of the city. STTWENTY active lads are wanted to sell the Post.

ing of its superior institutions, laws, wealth. industry, and national powers. There is something radically wrong somewhere, to produce such and results. The investiga-tion of the Collieries shows that human beings are degraded to a condition that makes civilized man sicken and revolt at the sight. They are hell-pits, where lowest ceptuvity to which human nature can fall, may still sink deeper, into obscenities so diagonting it is unfitting for pen to trace. Oppression the most grinding must be the cause, for human nature never volumtailly chooses to contradict and despine it-

self. The almost nothing the colliers received for this revolting sacrifice of all shame and decency. was not even enough

to ensure them that scanty pittance upon al sheet of fine paper, (manufactured expectally for this Journal) at the ucusually low rate of FIVE DOLLARS per annum, payable in advance. It will also be sold by even of that they are now deprived, and an a substitute for this beasily isbur, they are obliged to wander about and beg, rob or starve. Such are their alternatives, and which they will choose, where choose they can, it is not difficult to say; an in tura will likely be their fate. What can be the cause but special and privileged legislation? and what other legislation can be expected as fruits, growing out of a special and OLD ESTABLISHED ENIGRANT OFFICE, NO. 61 privileged form of government, administer-

Usual contract of the second s residing in this country as are desirous for sending for ciples dissonant to any general good their friends to come out from the old country. that he Contrast that country with this, in point of continues as usual to make engagements by which pas-engers are brought out on very moderate terms, in First prosperity, happiness and age.
