in favor of Dr. Swayne's Compound Syrup of Wild Cher-

To the Agent, Mr. J. KIRBY.

in saying that it is the most effective medicine that I have
been able to procure. It composes all uneasiness, and
agrees well with my diet,—and maintains a regular and
good appetite. I can freely recommend it to all others
similarly afflicted. J. MISRICK, Borough of Chambersb'g.

DAILY MORNING POST.
THE Subscribers having made arrangements to merge
the American Manufacturer and Pittsburgh Mercu-
ry into one Journal, have concluded to publish a daily
paper with the title of the Daily Morning Post.

tion and defence of the political principles that have here-
tofore been maintained by the Editors, in their respective
papers, and their best efforts will still be devoted to the
advancement and success of those doctrines.
Although, in politics, the paper will be thoroughly
democratic, yet the Editors hope, by giving an honest,
candid history of passing Political events, Foreign
and Domestic Intelligence, and brief notices of all mat-
ters and occurrences that come properly within the sphere
of a Public Journal, to make their paper sufficiently in-
teresting to entitle it to the patronage of the public, ir
respective of party considerations.
In addition to the political and general news that will
be found in the "Morning Post," the Editors will take
pains to furnish the business community with
the latest and most interesting COMMERCIAL INTELLI-
GENCE from all parts of the country, and to have prepa-
red such accounts of the Markets and the State of Trade
as will be advantageous to our Merchants and Business
Men in their several callings.

al sheet of fine paper, (manufactured especially for this

TO THE WISE.—It is now well understood how
much disorders of the mind depend for their cure
upon a due attention to the body. It is now understood
how valuable is that medicine which will remove morbid
accumulations without weakening the bodily power. It is
now understood that there is a reciprocal influence be-
tween the mind and the body. It is now understood that
purging with the Brandreth Pills will remove a melan-
choly, and even insanity is cured by perseveringly using
them. It is now understood how much domestic happi-
ness depends upon the healthy condition of the digestive
organs.
It is now well known that the Brandreth Pills have
cured thousands of hopeless and helpless persons, even
when the first physicians had pronounced them beyond
all human means of relief. It is now not only well
known that the Brandreth Pills so cure, but it is also un-
derstood how they cure; that it is by their purifying effect
on the blood that they restore the body to health.
The value of the medicine is becoming more and more
manifest, it is recommended daily from family to family.
The Brandreth Pills remove in an almost imperceptible
manner all noxious accumulations and purify and invigo-
rate the blood; and their good effects are not counterbalan-
ced by any inconveniences; being composed entirely of
vegetables they do not expose those who use them to
danger; and their effects are as certain as they are salu-
tary; they are daily and safely administered to infancy,
youth, manhood, and old age, and to women in the most
