The Gaz sto of Saturday publishes the letter of Mr. Lightner in which he authorized Mr. Darsie to draw his pay for services as a member of the Legislature. The following is the letter:

"DEAR SIR: -I am about to set out for St. Lhuis, with but little probability that I can be back to Harrisburg before the close of the session. I do not resign, because my doing so would increase considerably the public expense, and a member elected in my place must have a very short time

The Gazette thinks hat this shows that Mr. Lightner's conduct was all honoral le it "lies with the loca foco committee."that he still holds on to the pay which the committee improperly allowed him. Business Reviving .- The N. Y. We have noticed some of the very finest buildings of late, undergoing this alteration.
