sep 10 PRODUCE OF ACCUANTONS TEND TO PRODUCE OR AGGRAVATE DISEASE.—This class of individuals is very numerous. They are those who work in an unhealthy atmosphere. men in feather stores, stone cutters, bakers, white lead manufacturers, are all more or less subject to disease according to the strength of their constitution. The only ethod to prevent disease, is the occasional use of a medicine which abstracts from the circulation all deleteious humors, and expels them by the howels. Tonics in my form are injurious, as they only out off the evil day to make it more fatal. The use of Brandrein's Pills will insure health, because they take all impure malter out of the blood; and the body is not weakened but strengthened by their operation; for these valuable Pills

Graves procured, and all carriages urnished; Graves procured; and all services rendered to elevate it about that height from the ground; several books and newspapers were deposited juside of it, in the hat friends may require.

books and newspapers were deposited inside of the first on the list have the limpus.

A credit given in all cases, either of coffins or carriages, inanner in which Merchants and others would usually first on the list have the impus place them a large quantity of light pine wood [slabs apparatus it is impossible for any rom an adjoining Saw Mill,] was then placed pround and above it, and the fire kindled on the windward side. RARITAN, so as to drive the flame against the back part of the chest. NIAGARA The fire was kept up about three quarters of an hour, until you had gone among the spectators and received from them their universal answer that the test was sufficient. The chest was then drawn out of the fire, and cooled, and opened, and examined. The contents VALLEY FORGE, were all safe, and the only injury done was to the back FORT PITT, of one book which appeared to be a little charred. Frum BREAKWATER, what I witnessed, I think that these chests are deserv ing of confidence, as affortling, perhaps, the best security to Merchants for their books and papers, which they can have without hullding large, thick, and expensive vaults. Also, I would consider them a better security than many vaults

which I have seen built. Your friend, SAMUEL CHURCH. We concur in the above statement, having been pressent when the chest was tester'. Robt Bell. A. Cordell,
