THORN'S TEA.BERRY TOOTH-WASH. LANCASTER, Oct. 2d, 1842 To Dr. THORN,-My Dear Sir: I cheerfully and cordially embrace the present favorante opportunity to return to you my warmest thanks of grattinde for your unequation and unexceptionable invention of your istly celebrated Tea Berry Tooth-Wash, and I feel that am in duty bound to say that I have derived the great est and most beneficial effect from its frequent and mode ate use: and I can assure you that I am exceedingly hap py to have the pleasure of informing you, that sincerely and cordially speaking. I can in justice recommend its fre quent use to all that unfortunate portion of the human race throughout the gibbs who are now undergoing the most excruciating pain for the want of a medicine preparation of exactly the same nature of which yours is prepa red, and who have for years been suffering from the injurious, destructive and peraicious effects of worthless tooth powders and other worthless preparations. conclusion permit me to say that I have used your Tooth-Wash but for a short period, and yet I feel thoroughly convinced that it is the best now known, its inestignable virtues in preserving the terth, (which if kept in a good and handsome condition, is the greatest embelishment that adorns the human structure.) are not to be excelled in easing and relieving the sufferer from tooth ache, and

breath hitberto unknown. Accept my sicere wish for your success, from Yours, truly.

DIARRHOLS, AND APPECTION OF THE LUXUE Join Palw. of Combioks, Washington County, Marie bog daly ewern, says, that he was taken whole ativ There riz months since. The rains in his land, here leach, left side and instep bring us had that he was who ble to help blumpil, and was taken into the Chick a flow pital in the city of Buston. That after being by allwhat was the matter with him, and that be co nothing for him, surcould be practibe any medicine. That he, therefore, was conveyed from the Chelera Buitalito the Sailor's retreat on Staten Island. That La was there physicked with all corts of medicine for a period of four mostle, sufering all the time the most heart-reading selvery... That, besides his affection of his bones he was troubled much with a distance of the lakes some mes be would spit a quart of phierm lattic day; hother this affection he had a had Diarrhoon, which had more or iras attended him from the commencement of his sick. ness. That at times he dreaded a stool werse than he ing to nothing save that of knives naming through his bowels. After suffering water than death at the Salor's Retreat, on States Island, the dector told him that mostly rine was of no use to him, that he must try to stir about.
At this time he was suffering the greatest minery. That

ib boses were so lander be could not bear the trest presare upon the ethan or upon the knee, that his instep was no-t minful, that as the Doctor and he would give him no more medicine he determined to procure some of Dr Brandreth's Pilts, which he did, from 241 Broadway imer increased the dose to eight. The first week's we what he was esing, said, wow, Shaw, you look like a well.' That he f. and every dose of the Brandseth Pitte stool; that they next cured the districts, and finally prins in his bones;-That the medicine sermed to add strength to him every day. He told the doctor yester day the 11th indant, that he felt himself well, and also Providence, that he had taken the media for 19 days; that the doctor told him if he had known be had been taking that medicine, he should not have stayed make this public statement for the learfit of all similarly afficied; that they may know where to find a medicing that will care them.

John Plant telug by me daly sworn this 12th day of April, 1842, did depose and say that the foregoing state, ment is true. J. D. WHEELER, Commissioner of Denda.
