.sep 10 TTO THOSE WHOSE OCCUPATIONS TEND TO PRODUCE GRAGGRAVATE DISEASE. This class of individuals is very numerous. They are those who work in an unhealthy atmosphere. Printers, workmen in feather stores, stone cutters, bakers, white lead manufacturers, are all more or less subject to disease no cording to the strength of their constitution. The only method to prevent disease, is the occasional use of a medicine which abstracts from the circulation all deleterions humors, and expels them by the howels. Tonics in any form, are injurious, as they only out off the evil day to make it more fatal. The use of Brandreth's Pills rill insure health, because they take all impure matter out of the blood; and the body is not weakened but grengthened by their operation, for these valuable Pills do not force, but they assist nature, and are not opposed,
