NAVY SUPPLIES FOR 1843. NAUY DEPRIMENT.

Bureau of Provisions and Clothing, October 21, 1842. DEOPOSALS, seated and endorsed, will be received at this office, until 3 o'check P. M., ot Monday, the Alst day of November next, for furnishing and delivering it the Navy Yards at Portsmouth N. H., Charlestown dass., Brooklyn, N. Y., Philadelphia, Pa., Washington, D. C., Graport, Va., and the Battimore, Md., naval staton, respectively, such quantities of the following artices, of the best quality. That may be ordered or requ red from the contractors by the respective commanding officers at said Navy Yards and Navat station, or by the Navy Agen's respectively, during the year 1843; for the use of the United States, viz: Superfine Flour.

Ship iscuit, The sai flour shall be manufactured of wheat grown in the year 1342 or 1843, perfectly sweet, and in all respects of the best quality; and when required for shipment. Richmond fi-ur, in all the qualities essential to its preservation in tropical climates, and shall be delivered in good, sound, bright barrels, with lining boom at each sead, and in good shipping order, free of all charge to the United States; subject to such inspection as the Chief of the Bureau of Provisions and Clothing may direct or an porize, and be in all respects unfectly satisfactory to the utility of your safes. um or to the commanding officers of the said Navy

The said ship biscuit shall be made wholly from sweet superfine floor, manufactured of the wheat groun in ab ar 1842 or 1843; and shall be fully equal in quainty, and outormis size to the samples which are now, or soon charge to the United States in good, sound, well dried, ch was made by Williams right flour barrels, with the heads well secured, or in ng. Thus it will be seen arre's shall be in all respects to the entire satisfaction of the Chief of the Bureau of Provisions and Clothing, or of py 10 have the pleasure of informing von, that sincerely the commanding officer of the said Navy Yares, and be

Provisions and electing may direct, or otherwise. set by the Vigilant and The said whick y shall be made wholly from grain, of which at least two third parts shall be tye, shall be conner been followed by the distilled, and full first proof, according to the United States Casion House standard, it shall be delivered in good, sound, bright, well hoosed, white oak barrels, with white riday night the company Bofthe members joined oak beads; and each barrel, shall, when required, be coopork heans and carrier darrer, wants to be with four good and sufficient from hoors, and the whole he put in good shipping order accordal charges ciety. Their nan's are ich we to day publish. to the United States; and the whiskey and barrels shall be subject to such inspection as the Chief of the Bareau of o publish them separately! Provisions and Cinthing may authorize or direct, and he in att respects, perfectly satisfactory to him, or to the distinguish the members

commanding officers of the said Navy Yards. It is to be distinctly undersiond, however, that persons the may offer are not to have any claim or privilege to furnish any greater quantity of any article than may be

Contractors not living at the place where deliveries are agara, the Washington, required, must establish an ag ney at such place, that no delay may arise in furni-hing what may be required; and and sign 'that Pledge where a contractor fails prouptly to comply with requisi no doubt they will, be- limes, the Navy Agent at the place where the articles are required to be delivered shall be authorized to muc chase such articles, and the contractor shall be liable for any excess of cost over the contract price.

Separate hids must be made for each article for each Navy Yard, and for the Baltimore station. The blank offers, (which will be furnished to individuals on applically to the several Navy Agouts and Commandants, and at this office,) must have all the blanks carefully filled un, an i must be subscribed as directed in the not are of each form; and the offers must be unqualified and

guronditional. timated amount of the respective contracts, will be comithe amount of each payment to be made, as coffaieral se curity for the due and faithful performance of the respective contracts; which will, on no account, he naid of the poor drunkard? Junilities contracts are complied with in all respects; the families the members of Provisions and Clothing. After deducting 10 per cent. The in peace and plenty? I haven with the made, by the United States, which there is peace and plenty? Ly days after the said articles, shall have been inspected Book," in which will be and r seived, and hills for the same prescuted to the Ph vy Acent, apprough by the commanding officers of the respective Navy Yards and Nav-1 station aforesaid, ac-

of more than a hundred cording to the terms of the contract. The Doortment reserves the right to reject all bils oceasion to "give away from presons who have heretofore failed to execute their estraying themselves and contract.

Persons offering to supply either of these articles will

he pleased to designate the place or places at which they may desire payments to be made to them. oct 26—1n21 To be oublished in the Madisonian, Intellisencer and Globe, D.
