By this arrival the editors of the Picayune have received a letter from Vera Cruz, dated 25th Sept. from which we ex tract the following:-

Santa Anna leaves Mexico on the 10th prox. for bis Hacienda de Magua de Clavo, distant about three leagues from this place: He brings with him 3000 men, of bis choice, as his escort. He has called Gen. Bravo to occupy the Presidential cheir during his absence, and Bravo has accordingly repaired to Mexico to take the reins of government,

The visit of Santa Anna to his hacienda, with so large a body of chosen troops, and the call of Brave, decidedly the least popular general in the republic among the troops, to the Presidency, prove to me that the time for unmasking has already come. I feel tully persuaded that within Receiving a challenge, he expressed his thirty days of the time of his leaving Mexiof choice of ground and weapons-which, co, he will be declared by the troops Dicafter some considerable correspondence tator for life !- Do not think that he will and diplomacy, conducted with great be declared Dictator by the troops which gravity on his part, was conceded by his impany him-no, by no means; they impatient adversary.
