stools, which must be promoted by art when nature does not do the business itself. On this account, an ill timed scrupulousnessabout the weakness of the body is of had consequences; for it is that which seems chiefly to make evacuations necessary, which nature attempt after the humors are fit to be expelled, but is not able to accomplish for the most part in these diseases; and I can affirm, that I have given a purge when the pulse has been so low that it could hardly be fell, and the debility ex. treme, yet both one and the other have been restored by it." The good effect to be derived from the Brandreth Pills have to be experienced to he fully believed. By their timely use neither the scarlet, the typhus fever of small pox would ever assume their malignant form. To appreciate to the full extent, the incalculable bene-fits of BRANDRETH'S PILLS, they must be used when the First Symptoms of Disease present themselves. One dose then, and their good effects will be feit throughout the attack-IT IS TAKING THEM IN TIME that is the great secret in the cure of all appearances of disease arising from had blood, and I presume there are few at the pres ent day, will say anything of those diseases which affect the body when the blood is pure. WM. BIDDLE, Surgeon Dentist, has returned to bis old stand, No. 107, Smithfield Street, where he can be consulted any hour during the day, on his profession. sep 10

**REMOVAL.**-George Armor, Merchant Tailor, respectfully announces to his friends and pa-trans, that he has removed his establishment from his old stand, in Third street, to the corner of Front and Smithfield, in the basement story of the Monongahela House; where he intends keeping on hand a general as. sortment of Fashionable Goods, suitable for Gen-Lemch's wear.

He hopes, by close application, to merit a share of the misiness so liberally extended to him at his old stand. N. B. sept 10 TARD OIL.-Tha Subscriber would most respectfully inform the public in genera that he has an article of aLrd OH of a superior quality, manufactured at the Cincin \*BLra OH of a superior quanty, minutactured at the chemi-mati Oil Manufactory, by R.W. Lee & Co., which is warran-rade to be equal to the best Sperm. Oil, both for Light and Machinary. This Oil is entirely free from any glutinous matter, smoke, or unpleasant odor, and it is as clear and as white as spring water. Not a particle of crust is left on the wick. The light is pure and brilliant, and will last as long, if not longer, than that from an equal quantity of Sperm. Oil. The subscriber informs the public that he has taken a place nearly opposite the Post Office, where he will light up several different lamps every evening, and he would respectfully invite the inbabitants of Pittsburgh, Allegheny, and their vicinity, to call and judge for themselves. He feels confident they will be convinced that the above statement is perfectly correct. Out of two hundred individuals who have tried the Oil, there has not been a single fault found with it. The Lard Oil costs one third less than Sperm. He would lly sufficit the early attention of Dealers and Ma. chinists to the above.

The following Churches are now using the Lard Oil: Second Presbylerian Ghurch, Pittsburgh, Kew Cumberland Presbyterian Church, Pittsburgh,

an, Sullivan County, East Tennessee, Memberof Congress. WASHINGTON, July 3d, 1838. Sir-Since I have been in this city I have used some of

your Dyspeptic medicine with infinite benefit and salis faction, and believe it to be a most valuable remedy. On of my constituents, Dr. A. Carden, of Campbell county, Tennecsee, wrote to me to send him some, which I did, and he has minloyed it very successfully in his practice and says it is invaluable. Mr. Johnson, your agent a this place, thinks you would probably like an agent in Tennessee. If so, I would recommend Dr. A Carden, as proper person to officiate for the sale of your celebrated medicine. Should you commission him he is willing to act for you. You can send the medicine by water to the care of Robert King & Sons, Knozville county. Tennes. care of Robert King & Sons, Knoxville county, Jennes-see, or by land to Graham & Houston, Tazewell, East Tennessee. I have no doubt but if you had agents in several counties in East Tennessee, a great deal of medi-cine would be sold. I am going to take some of it home for my own use, and that of my friends, and should be not a several back and should be an agent ike to bear from you whether you would like an agent
