New Song by Tom Moora.
Let's take this world as some wide and
Through which, in frail but because. for publishing a new Daily Paper tucks City of Pitts
burgh, to be entitled the With skies now dark and now serence Together thou and I must float; Beholding oft on either shure, THE Subscribers having made arrangements to merge

Bright pots where we should love to stay, But Time plies swift his flying our And on we speed far-far away.

Should chilling winds and rains come en. We'll rai-s our awning 'gainst the shower, Sit closer till the storm is gone.

And smiling wait a sunnier bot And if that connier hour should shine We'll know its brightness minnet stay-But happy when 'tis thine and mine, Complain not when it faine away.

So reach we both, at less that fall Down which life's currents all most go. The dark, the brilliant, destined all, To sink into the void below; Nor e'en that hour shall want its charmes

If side by side still fond we keep, And calmly in each other's arms. Together link'd go down the steep.

From the New York Svening Peat

The Coon.

The Egyptians were the first people who took the ox out of the common here. and made a god of him. They then had choice places for the living animal to move in, and at death preserved his hide. They made pictures and drawings of him, in their public assemblies and on great moments, he was brought forth and installed as the guardian genus of the occasions: Flags and banners were raised on highand waved back and forth with his imperent engraved thereon, and emblazoned with words from which the Latin poet derivation his idea, which is thus expressed - 'ta bus signo vinces!' Triumphal odes aud commi engors are brought out on very moderate terms, in First were made by the poets and sung to the deity on public occasions, and the people that as agents of first respectability are engaged at Li were taught to regard him as possessing a erpool, there will be no detention whatever at that mysterious influence that would lead them to a glorious success.

The Greeks and Romans had more refinement in their ideas of the god who kad led them to victory. They believed that he was a mortal who had been seised to the skies and endowed with superior attra-No. 61. South street, New York. butes, and had the charge of all human battles. They considered him as steries blood thirsty and cruel. They called him Mars or the God of War. And whenever bis favor was desired they sung songs and BY AUCTION.-Will be sold by Public Auction, without reserve. for cash, to close the concern, at the poured out libations to him. In various parts of the world, the people make a god of fire, or of the sun and HEV Marrown & Co. London, for sale only by S. N. moon, or of alligators, or other animals, Wickersham, corner of Wood street and Virgin and invoke their influence in their enter-ation Parkham, in Page and H. Harwood, Benver Pa, who sees. But it remained for the Whigs of the sole agent for Western Penusityania. this Christian nation to bring the raccoon TIRM FOR SALLO. The understaned offers for sales first from his sative woods, and set him tract of tand structed 4 miles from freeport, in the up in the public places, and make a god direction of Kittanning. Buffalo flownship, Armstrong up in the public places, and make a god country accordaining 100 acres, 65 Elegred and under good of him. They adopted him as the presiding geinus of their great occasion, They terrant of 80 tea, and trace-and a spring of excellent erected log cabins as temples to him, where especially be might be found, and when these were wanting, they introduced a five three the Pennsylvania Canal, I mile above Free him before the altars of Heaven, and pro-

funed them with the polluting beast. In their processions, they carried butners emblazoned with his image, and with words like these in glaring letters, 'In hoc signo vinces!' or 'frat same old 'coca. They set him on high at all public mestings, and as he gazed about he was hailed with shouts. Their speakers, after they had come forth and welcomed the audiarea deposits upon the need by condition of the digestive euce, would turn to the 'coon and in chies It is now well known that the Brandsen Plus have make obeisance, exclaiming. Te duce and the shouts of the multitude would when the first philibraic had proponered them beyond all fumors means of relief. It is now not only well known short the Brandreth Pillson care, but it is also unrend the air with clapping and stamping; and the god would frisk himself and rettle derstood how they cares that it selve their pur lying effect on the blood that they employe the body to health. his chain, and the multitude would shout louder and louder. Then they would sing odes and songs, which had been compos by the poets, and made secred to his Then pour out libations of hard eider to bim, and in the riotous excess of their joy intoxicate themselves. Thus they decided danger, and their affects are as certain as they are solu tary; they are daily and safely administered to infancy him as the presiding geinus of their critical and delicate circumstances. They de not distert ical campaign, and he was as kind and faithful a Deity to them as the ox to the or shork the animal functions, but restore their order Egyptians, Mars to the Greeks, or the Sold'at Br. Brandreth's Office, No. 90, Wood-strant quadrupeds to the Indians.

But the parallel, degrading as it is, done not stop here. Where are the Egyptisms with all their greatness and glory! are the proud nations of Central America Where are the veteran warriors of Gree ed to the city. He hopes to stiare the confidence of his former patrons and the public generally; and solicits a the fire worshippers of Northern India, se renewal of a partion of their margings.
