DR. WILLIAM EVANS'S SOOTHING SYRUP. This infallible remedy has preserved hundreds when thought past recovery, from convulsions. As soon as the Syrup is rubbed on the gums, the child will reces er. This preparation is so innocent, so efficacious, and so pleasant, that no child will refuse to let its game be rub bed with it. When infants are at the age of four months the there is no appearance of teeth, one bottle of the Syrup should be used to open the pores. Parents should rever he without the syrup in the nursery where there are young children, for if a child waken in the night with pain in the gums, the Syrup immediately gives ease, by opening the pores, and henting the gums; thereby preventing Couve stons, Fevers, &c. Bir_Bince I have been in this city I have used some of your Dyspeptic medicine with infinite benefit and satis faction, and believe it to be a most valuable remedy. One f my consittuents, Dr. A. Carden, of Campbell county Tennecese, wrote to me to send him some, which I did and he has suployed it very successfully in his practice, and says it is invaluable. Mr. Johnson, your agent at his place," thinks you would probably like an agent in Tennessee. If so, I would recommend Dr. A Carden, proper person to officiate for the sale of your celebrated medicine. Should you commission him he is willing it act for you. You can send the medicine by water to the care of Robert King & Sons, Knoxville county. Tennes see, or by land to Graham & Houston, Tazewell, Bas Tennessee. I have no doubt but if you had agents in several countles in East Tennessee, a great deal of medi ine would be sold. I am going to take some of it home for my own use, and that of my friends, and should like to hear from you whether you would like an agent at Bluntville, Sullivan County, East Tennesse; I can get some of the merchants to act for you as I live near there. and others your invaluable medicine—the Compound Syrup of Prunus Virginiann, or Wild Cherry Bark. In my travels of late I have seen in a great many instances the wonderful effects of your medicine in relieving children of very obstinate complaints, such as Coughing, Wheezing, Choaking of Phlegm, Asthmatic attacks, &c. &c. I should not have written this letter, however, a present, although I have fe't it my duty to add my testi mony to it for some time, had it not been for a late in. stance where the medicine above alluded to was insiremental in restoring to perfect hearth an "only child," whose case was almost hopeless, in a family of my acquaintance. Beyond all doubt Dr. Swayne's Compound Syrup of Wild Cherry is the most valuable medicine in this or any other country. I am certain I have witnessed more then one hundred cases where it has been attended with complete success. I am using it myself in an obstinate attack of Bronchitis, in which it proved effectual in a exceedingly short time, considering the severity of the case.
