TO THOSE WHOSE OCCUPATIONS TEND TO PRODUCE OR AGGRAVATE DISEASE.—This class of individuals is very numerous. They are those who work in an unhealthy atmosphere. Printers, work men in feather stores, stone cutters, bakers, white lead

manufacturers, are all more or less subject to disease ac cording to the strength of their constitution. The only method to prevent disease, is the occasional use of a medicine which abstracts from the circulation all deleterious humors, and expels them by the howels. Tonics in any form are injurious, as they only gat off the evil day to make it more fatal. The use of Brandreth's Pills will insure health, because they take all impure matter out of the blood; and the body is not weakened but strengthened by their operation, for these valuable Pills do not force, but they assist nature, and are not opposed, Sold at Dr. Brandreth's Office, No. 98 Wood street,

an, Sullivan County, East Tennessee, Member of Congress Washington, July 3d, 1838. Sir_Since I have been in this city I have used some of your Dyspeptic medicine with infinite benefit and satis faction, and believe it to be a most valuable remedy. One of my constituents, Dr. A. Carden, of Campbell county Tenneesec, wrote to me to send him some, which I did, and he has imployed it very successfully in his practice. and says it is invaluable. Mr. Johnson, your agent a this place, "thinks you would probably like an agent in Tennessee. If so, I would recommend Dr. A Carden, as a proper person to officiate for the sale of your celebrated medicine. Should you commission him he is willing to act for you. You can send the medicine by water to the care of Robert King & Sons, Knoxville county, Tennessee, or by land to Graham & Houston, Tazewell, East Tennessee. I have no doubt but if you had agents in several counties in East Tennesseq, a great deal of medi cine would be sold. I am going to take some of it home for my own use, and that of my friends, and should like to hear from you whether you would like an agent at Blun(ville, Sullivan County, East Tennessee; I can ge some of the merchants to act for you as I live near there.

Dr. SWAYNE-Dear: ir: - Permit me to take the liberty at this time to express my approbation, and others your invaluable medicine-the Compound Syrup of Prunus Virginiana, or Wild Cherry Bark. In my travels of late I have seen in a great many instances seen in the wonderful effects of your medicine in relieving children of very obstinate complaints, such as Coughing, Wheezing, Choaking of Phlegm, Asthmatic attacks, &c. &c. I should not have written this letter, however, at present, although I have fe t it my duty to add my testimony to it for some time, had it not been for a late instance where the medicine above alluded to was instrumental in restoring to perfect health an wonly child," whose case was almost hopeless, in a family of my acquaintance, of thank Heaven," said the doating moth. r, "my child is saved from the jaws of death! feared the relentless ravager But my child is safe! is

Beyond all doubt Dr. Swayne's Compound Syrup o Wild Cherry is the most valuable medicine in this or any other country. I am certain I have witnessed more than one hundred cases where it has been attended with com plete success. I am using it myself in an obstinate at tack of Bronchitis, in which it proved effectual in a ex ceedingly snort time, considering the severity of the case. I can recomend it in the fullest confidence of its superior virtues; I would advise that no family should be without well timbered. There are upon it
