THORN'S TEA BERRY TOOTH WASH. LANCASTER.Oct. 2d, 1842. To Dr. Tuony,-My Dear Sir: I cheerfully ordiaily embrace the present favorable opportunity to return to you my warmest thanks of grainade for your un-

I can in justice recommend its fre queul use to all'that unfortunate portion of the human race throughout the globe who are now undergoing the nost exerueuting pain for the want of a medicine prepa ration of exactly the same nature of which yours is prenared, and who have for years been suffering from the in prious, destructive and pernicious effects of worthless tooth powders and other worthless preparations. n permit me to say that Chave used your Toot! convinced that it is the best now known, its inestimable virtues in preserving the teeth, (which if kept in a good and handsome condition, is the greatest embelishmen that adores the human structure.) are not to be excelled in casing and relieving the sufferer from tooth ache, and oring the game to a healthy and purified condition, and giving also a sweetness and fragrancy to a disagreeable breath hitherto unknown.

Accept my sincere wish for your success, from Yours, truly,
