LOOK AT THIS.

The attention of those who have been somewhat scep-
tical in reference to the numerous certificates published
in favor of Dr. Swayne's Compound Syrup of Wild Cher-
ry, on account of the persons being unknown in this sec
tion of the State, is respectfully directed to the following
certificate, the writer of which has been a citizen of this
borough for several years, and is known as a gentleman
of integrity and responsibility.
To the Agent, Mr. J. KIRBY.
I have used Dr. Swayne's Comp und Syrup of Wild
Cherry for a cough, with which I have been severely af-
flicted for about four months, and I have no hesitation
in saying that it is the most effective medicine that I have
been able to procure. It composes all uneasiness, and
agrees well with my diet,—and maintains a regular and
good appetite. I can freely recommend it to all others
similarly afflicted. J. MERRICK, Borough of Chambersb'g.

INDIVIDUAL ENTERPRISE.

U. S. PORTABLE BOAT LINE.
For the Transportation of Merchandize to and from
Pittsburgh, Baltimore, Philadelphia, New York, and Bos
ton. Through in the shortest time.
THE United States Portable Boat Line, is composed of
Boats built in four sections, each section capable of
containing seven tons, and susceptible of being separate
or detached and transferred from Canal to Rail Road,
thus, as it were, forming a complete train of Cars, or
presenting the novel appearance of a Boat sailing on land
and thereby avoiding the great delay occasioned by re
shipping at the several junctions and terminations of Ca-
nals and Rail Roads, the expense of transhipment and
the damage the goods sustain by frequent handling; and
rendering it impossible to separate lots of goods on the
way, owing to the peculiar construction of the Boat
having *four separate apartments* in which goods are sto-
red, renders them less liable to damage goods by water or
otherwise than by any other mode of transportation.
The system of Transportation, as recommended by the
Canal Commissioners and lately adopted by the State,
refers particularly to this class of Boats. The Boats of
this Line are owned by responsible captains that run
them, and is the only Line now in operation free from
monopolies or combination.
Goods consigned to the undersigned agents will be re-
ceived free of commission and shipped without delay at
the lowest rates. All charges paid and every instruction
promptly attended to. C. A. M'NULTY & Co. Agts.

burgh, to be entitled the

DAILY MORNING POST.

THE Subscribers having made arrangements to merge
the American Manufacturer and Pittsburgh Mercu-
ry into one Journal, have concluded to publish a daily
paper with the title of the *Daily Morning Post*.
The leading object of the "Post" will be the disse mina-
tion and defence of the political principles that have here-
tofore been maintained by the Editors, in their respective
papers, and their best efforts will still be devoted to the
advancement and success of those doctrines.
Although, in politics, the paper will be thoroughly
democratic, yet the Editors hope, by giving an honest,
candid history of passing Political events, Foreign
and Domestic Intelligence, and brief notices of all mat-
ters and occurrences that come properly within the sphere
of a Public Journal, to make their paper sufficiently in
eresting to entitle it to the patronage of the public, ir
respective of party considerations.
In addition to the political and general news that will
be found in the "*Morning Post*," the Editors will take
pains to furnish the business community with
the latest and most interesting COMMERCIAL INTELLI-
GENCE from all parts of the country, and to have prepa-
red such accounts of the Markets and the State of Trade
as will be advantageous to our Merchants and Business
Men in their several callings.

al sheet of fine paper, (manufactured especially for this
Journal) at the unusually low rate of FIVE DOLLARS

TO THE WISE.—It is now well understood how
much disorders of the mind depend for their cure
upon a due attention to the body. It is now understood
how valuable is that medicine which will remove morbid
accumulations without weakening the bodily power. It is
now understood that there is a reciprocal influence be-
tween the mind and the body. It is now understood that
purging with the Brandreth Pills will remove a melan-
choly, and even insanity is cured by perseveringly using
them. It is now understood how much domestic happi-
ness depends upon the healthy condition of the digestive
organs.
It is now well known that the Brandreth Pills have
cured thousands of hopeless and helpless persons, even
when the first physicians had pronounced them beyond
all human means of relief. It is now not only well
known that the Brandreth Pills do cure, but it is also un-
derstood how they cure; that it is by their purifying effect
on the blood that they restore the body to health.
The value of the medicine is becoming more and more
manifest, it is recommended daily from family to family.
The Brandreth Pills remove in an almost imperceptible
manner all noxious accumulations and purify and invigo-
rate the blood, and their good effects are not counterbalan-
ced by any inconveniences; being composed entirely of
vegetables they do not expose those who use them to
danger; and their effects are as certain as they are salu-
tary; they are daily and safely administered to infancy,
youth, manhood, and old age, and to women in the most
critical and delicate circumstances. They do not disturb
or shock the animal functions, but restore their order
and establish their health.
Sold at Dr. Brandreth's Office, No. 93, Wood street,
Pittsburgh. Price 25 cents per box, with full directions.
MARK—The only place in Pittsburgh where the genuine
Pills can be obtained, is the Doctor's own office, No.
93 Wood street. sep 10

DR. J. B. TIBBITT'S, Respectfully inform the citi-
zens of Pittsburgh and vicinity, that he has return-
ed to the city. He hopes to share the confidence of his
former patrons and the public generally, and solicits a
renewal of a portion of their patronage. In connection
he would observe, that the operation of Lithotrity, (or
breaking the stone in the bladder and allowing it to pass
off with the urine,) is every where commanding the deep-
est interest. He hopes to extend the benefit of this branch
of his profession to the afflicted. Strictures, Diseases of
the Bladder and Kidneys.—which occasionally follow,—
will likewise receive attention.
Those from a distance wishing further information
will apply personally or by letter, or if desired can be
accommodated at his dwelling, in a retired part of the ci-
ty, on Third, between Perry and Liberty sts. sep 10

BRANDRETH PILLS.

LET Invalids read the following account of a Sailor
cured of a complication of afflictions in nineteen
days by the use of Brandreth Pills. It distinctly proves
there are herbs in nature which have affinity to the
cause of disease, and Brandreth's Pills are made for them
Read and be convinced. Take the medicine and be cured
EXTRAORDINARY CURE OF RHEUMATISM
DIARRHŒA, AND AFFECTION OF THE LUNGS.
JOHN SHAW, of Pembroke, Washington county, Maine,
being duly sworn, says, that he was taken violently sick
about six months since. The pains in his head, breast,
back, left side and instep being so bad that he was una-
ble to help himself, and was taken into the Chelsea Hos-
pital in the city of Boston. That after being in said
hospital five weeks, Doctor Otis said he did not know
what was the matter with him, and that he could do
nothing for him, nor could he prescribe any medicine.
That he, therefore, was conveyed from the Chelsea Hos-
pital to the Sailor's retreat on Staten Island. That he
was there physicked with all sorts of medicine for a peri-
od of four months, suffering all the time the most heart-
rending misery.—That, besides his affection of his bones
he was troubled much with a disease of the lungs: some-
times he would spit a quart of phlegm in the day; besides
this affection he had a bad Diarrhœa, which had more
or less attended him from the commencement of his sick-
ness. That at times he dreaded a stool worse than he
would have dreaded death; that he can compare the feel-
ing to nothing save that of knives passing through his
bowels. After suffering worse than death at the Sailor's
Retreat, on Staten Island, the doctor told him that medi-
cine was of no use to him, that he must try to stir about.
At this time he was suffering the greatest misery. That
his bones were so tender he could not bear the least pres-
sure upon the elbow or upon the knee, that his instep was
most painful, that as the Doctor said he would give him
no more medicine he determined to procure some of Dr.
Brandreth's Pills, which he did, from 241 Broadway
New York; that he commenced with five pills, and some-
times increased the dose to eight. The first week's use
so much benefited him, that the doctor, not knowing
what he was using, said, 'now Shaw, you look like a
man again; if you improve in this way, you will soon be
well.' That he found every dose of the Brandreth Pills
relieve him, first they cured him of the pain when at
stool; that they next cured the diarrhœa, and finally the
pains in his bones;—That the medicine seemed to add
strength to him every day. He told the doctor yester-
day the
