CERTIFICATE.-The following letter from Major General Sandford, as to the qualities of the External Reme dy, speaks volumes:

your excellent Liniment? It is certainly the best of the ment of all kinds of ladies, misses, and kind I have ever seen. It has cured entirely my son' knce, about which I was so uneasy, and I have found it productive of immediate relief in several cases of exter nal injury in my family. A few evenings since, my voungest child was seized with a violent attack of Croup, which was entirely removed in twenty mixutes, by rub bing her chest and throat freely with the External Rem edy. I think you ought to manufacture this Liniment for general use, instead of confining the use of it, as you have heretofore done, to your particular acquaintances
