BRANDRETH PILLS.

ET invalids read the following account of a Sailor develop of a complication of afflictions in nineteer days by the use of Brandreth Pills. It distinctly proves there are herls in nature which have affinity cure be cause of disease, and Brandreth's Pills are made for them ead and beconvinced. Take the medicine andbe cured EXTRAORDINARY CURE OF RHEUMATISM DIARRHŒA, AND AFFECTION OF THE LUNGS JOHN SHAW. of Pembroke, Washington county, Maine, eing duly sworn, says, that he was taken violently sick bout six months since. The pains in his head, breast, ack, left side and instep being so bad that he was unale to help himself, and was taken into the Chelsea B ital in the city of Boston. That after being in said ospital five weeks, Doctor Otis said he did not know what was the matter with him, and that he could do That he, therefore, was conveyed from the Chelsea Hot od of four months, suffering all the time the most heart, rending misery.— That, besides his affection of his bones he was troubled much with a disease of the lungs; som nes he would spit a quart of phiegm in the day; besider this affection he had a bad Diarrhoea, which or less attended him from the commencement of his sick would have dreaded death; that he can compare the feel Retreat, on Staten Island, the doctor told him that medicine was of no use to him, that he must try to stir about at this time he was suffering the greatest misery. That and returned to his bed, with as much costnost painful, that as the Doctor said he would give him quarter of an hour he was asleep. to more medicine he determined to procure some of. Dr. randreth's Pills, which he did, from 241 Broadway New York; that he commenced with five pills, and som imes increased the dose to eight. The first week's us o much benefited him, that the doctor, not knowing what he was using, said, now, Shaw, you look tike oan again; if you improve in this way, you will soon b well.' That he found every dose of the Brandreth Pille ool; that they next cured the distribute, and finally the tins in his bones;-That the medicine seemed to add trength to bem every day. He told the doctor yesterday the 11th instant, that he felt himself well, and also, self, his first thought was to bee if the state that he owed his recovery to Brandreths Phis under Providence, that he had taken the medicine levery day Providence, that he had taken the medicine levery day or 19 days; that the doctor told him if he had known he apartment.

Indian the had been taking that medicine, he should not have stayed

Finding the THE REPORT RESIDENCE OF A SHARE SHAR

THE LIBERT

(CONCLUDED.)

Both were silent, and it was singular to see that sub-lientenant, just escaped from St. Cyr, that young man, with burning and ardent, speechless, such asset before a woman, and that woman a sime maiden of a village inn.

saiden of a visage run.
It was from the timid look of Maria; from Athough in politics, the paper will be thoroughly democratic, yet the Editors hope, by giving an honest candid history of passing Political events. Foreign and Domestic latelligence, and brief soties of all matters and occurrences that come properly within the sphere of a Public Journal, to make their paper sufficiently in lips would have been sufficient to have repulsed him.

Does the gentleman wish any things asked Maria, with a visible effort. 'I thank you, no,' was the only respe of the young man. They bade each other

good night. Maria did not raise her eyes, which bent to the floor, and hastening from the

II. When Maria entered the kitchen, she found a second stranger there. He was robust and athletic looking man of about forty-five years of age, with rough hands and broad shoulders. His face was partially respectable, although his grayish his, which was combed upon his forehead, that which was comped upon his foreness, and is something of a Jesuitical appearance, and is his eyes, which were something sunkers, one might have discovered something and in the content of the content of

guous and sinister. The only question which he addressed to the inn keeper during his supper west Am I the only traveller in your inn?

'No sir, there is a young man in the chamber next to yours, who arrived this

evening.' The stranger seemed buried in deep thought, and his brow clouded after a mo-

ment's silence. Be careful, he said, to awake me to-more row morning at 6 o'clock, for I must be at Tours at noon. By the bye, added he, you must procure me a good horse, and let him

be ready at that hour.' To each one of these injunctions Ebrard replied with a ned of aquiescense. When accommulations without weakening the bodity power. It is the stranger had finished, he put a candle into the hand of Maria, who accompanied the new guest to the chamber.

. III. Let us change the scene to the apartment

in which the first traviller was lodged. Frederick was in bed; his candle was wred thousands of hopeless and helpless persons, even burning on the table. Still agitated by the Il human means of relief. It is now not only well emotion which the appearance of Maria had caused him, he had not thought of seeking

scabbert and placeu under its The old kitchen clockstruck the hour of midnight; all the inhabitants of the inn were ary; they are daily and safely administered to infancy, Jasleep, with the exception of Maria, who without doub, was seeking to discover the strange emotion which was agitating her whole frame.

Frederick was aroused by a noise line MARK-The only place in Pittsburgh where the genu- that of a key turning in a lock. He listened, but hearing nothing, he tried to persuade himself he had been dreaming, and endeavored to fall asleep.

For once, ne was not mistaken; some one rmer patrons and the public generally; and solicits a was seeking to gain admission into his newal of a portion of their patronage. In connexion chamber. He sprang from his bed, graspaking the stone in the bladder and allowing it to pass | ed his sabre, and although his candle was

> door. In five minutes the noise cased; he thought the person, whoever it might be, had renounced the idea of entering his apartment, for he had doubly locked the door and it was extremely difficult to open it; but, accidentally casting his eye towards his feet, he saw, by the light of the moon, which at this moment burst from the clouds and reflected through his wisdow, a hand thrust through the space between the floor of the chamber and the door, endeavoring to raise it from its hinges. He raised his arm above his head, and, letting it fall with his whole strength, struck the hand with his

A stifled cry was heard, then a horrid oath, half articulated, and then a slight noise of steps, which was lost in the distance. and silence of the night. Two bloody fine gers lay upon the floor. Frederic rushed to the chimney, and lighted his candle. After the first moment

of surprise, he picked up the two fingers.

washed them, and staunched the blood with his handkerchief. After carefully examining the fingers, I through his must confess, said he to himself, for a robing to nothing save that of knives passing through his must confess, said he to nimself, for a low-howels. After suffering worse than death at the Sailor's ber, he had most delicate and fair hands. He then wrapped them in a handkerchief.

ness as if nothing had happened. Is The day had not yet dawned when there innkeeper came to awake Frederic in the was to depart at 6 o'clock. When the late ter, after casting a glance at the hand of Ebrard, had pleasantly recounted the adveventure of the night, and had shown elieve him, first they gated him of the pain when at the blood which had stained the hearth and the blood which hearth and the blood which had stained the blood which hearth and the blood which hear chamber, the houest host turned pale was near fainting; but, returning took

Finding the door open, he entered, put another day in the house. He considers it is his daily to make this public statement for the tenest of all similarly afficient; that they may know where to find a medicine. Folk sing the transfer of blood was empt.
