Up on Sandy.

A good anecdote is told by a Methodist circuit rider, who not long since called at the house of Mr .------, living somewhere near the head of Sandy tiver, in Virginia, to stay all night. Every body knows the charac er of the citizens of this region of country, and what it has been, for a number of years gone by, and in all probability for years to come will continue to be, on account of its mountain fastnesses, the home of a most ignorant and debased population. Our person, a man of simplicity of character, on entering, found four men seated on dry again. the floor playing cards. These, who seemed icarcely to note his arrival, he passed by to where the wife of the proprietor of the manifon was sitting, who very soon ensaged him in conversation .- Among other questions usually propounded, the asked, change with the Republican (having struck What mout your business in these parts
