Beyond all doubt Dr. Swayne's Compound Syrup of Wild Cherry is the most valuable medicine in this or any other country. I am certain I have witnessed more that one hundred cases where it has been attended with complete success. I am using it myself in an obstinate at. tack of Bronchitis, in which it proved effectual in a ex ceedingly short time, considering the severity of the case I can recomend it in the fullest confidence of its superior virtues; I would advise that no family should be without it; it is very pleasant and always beneficial-worth Formerly Pastor of the First Presbyterian Church

CERTIFICATE.—The following letter from Major General Sundford, as to the qualities of the External Remedy, speaks volumes:

NEW YORK, Feb. 9, 1842. Dear Sir-Will you oblige me with another bottle of our excellent Liniment? It is certainly the best of the kind I have ever seen. It has cured entirely my son's knee, about which I was so uneasy, and I have found it productive of immediate relief in several cases of exter chase to call and examine his assortment beforepurcha. nal injury in my family. A few evenings since, my youngest child was seized with a violent attack of Croup which was entirely removed in twenty minutes, by rub ing her chest and throat freely with the External Remedy. I think you ought to manufacture this Liniment for general use, instead of confining the use of it, as you have heretofore done, to your particular acquaintances.
Yours truly, C. W. SANDFORD.
