DR. FRANKLIN SAYS: "All acute fevers ever require some evacuation to bring them to a perfect crisis and solution, and that even by stools, which must be promoted by art when nature does not do the business itself. On this account, an ill timed scrupulousnessabout the weakness of the body is of bad consequences; for it is that which seems chiefly ishing those of inferior quality as to paper, printing, to make evacuations necessary, which nature attempts after the humors are fit to be expelled , but is not able t accomplish for the most part in these diseases; and I can affirm, that I have given a purge when the pulse has been so low that it could hardly be fell, and the debility ex-

Fourth make, in the presence of a number of our business men, Street, Between Wood and Smithfield sts. of the safety of your IRON CHESTS, in case of fire, gives me pleasure to say, that so far as 1 was capable of mantly on hand an assortment of 100 ready made Judgleg, the lest was fair, and the result exceeded my

The Chest was a small one, about 30 inclies high, hy ful you are not deceived by miss about 18 or 20 inches in breadth and depth, and was placed on a block of wood about a foot in thickness, so as Guard, when they are vot sessing to elevate it about that height from the ground; several books and newspapers were deposited inside of it, in the ly Guard at the manner in which Merchants and others would usually place them—a large quantity of light place wood [stabs from an adjoining Saw Mill.] was then placed around and above it, and the fire kindicd on the windward side, so as to drive the flame against the back part of the chest. The fire was kept up about three quarters of an hour, until you had gone among the speciators and received from them their universal answer that the test was TAMETY. Just received from New York, 3000 sufficient. The chest was then drawn out of the fire Temperance Almanacs for 1843; 5000 copies of the and cooler, and opened, and examined. The contents: Journal of the American Temperance Union and Youth's aver all safe, and the only injury done was to the back FORT PITT, Temperance Advocate for September. Also, 2000. NEW YORK, Feb. 9, 1842. Dear Sir-Will you oblige me with another bottle of your excellent Liniment? It is certainly the best of the kind I have ever seen. It has cured entirely my son's knce, about which I was so uncasy, and I have found it productive of immediate relief in several cases of exter nal injury in my familty. A few evenings since, my youngest child was elized with a violent attack of Group. which was entirely removed in twenty minutes, by rubbing ber chest and throat freely with the External Rem edy. I think you ought to manufacture this Liniment for general use, instead of confining the use of it, as you ve heretofore done, to your particular acquaintances
Yours truly, C. W. SANDFORD.
