Sir-Since I have been in this city I have used some of

your Dyspeptic medicine with infinite benefit and satisfaction, and believe it to be a most valuable remedy. One of my constituents, Dr. A. Carden, of Campbell county Tenneesee, wrote to me to send him some, which I did, and he has mployed it very successfully in his practice, and says it is invaluable. Mr. Johnson, your agent al this place," thinks you would probably like an agent in Tennessee. If no, I would recommend Dr. A Carden, as a proper person to officiate for the sale of your celebrated medicine. Should you commission him he is willing to act for you. You can send the medicine by water to the care of Robert King & Sons, Knoxville county, Tennes see, or by land to Graham & Houston, Tazewell, Eas Tennesse. I have no doubt but if you had agents in several counties in East Tennessee, a great deal of medicine would be sold. I ain going to take some of it home for my own use, and that of my friends, and should like to hear from you whether you would like an agent at Bluntville, Buillvan County, East Tennerbert Can get
