BRANDRETH PILLS.

ET favatide read the following account of a Sailor BT availed read the following account of a Sailor cured of a complication of afflictions in nineteen days by the fise of Brandreth Pills. It distinctly proves here are herly in nature which have affinity cure be Read and be convinced. Take the medicine anche cure EXTRAORDINARY CURE OF RHEUMATISM Jona Shaw, of Pembroke, Washington county, Main out six mouths since. The pains in his head, breas ack, left side and instep being so had that he was un le to help himself, and was taken into the Chelsea. Hos pital in the city of Poston. That after being in said hospital five weeks, Doctor Otis said he did not know that was the matter with him, and that he could do one might detect upon their hard angular hat he, therefore, was convered from the Cheisra Ho vas there physicked with all sorts of medicine for a per od offert months, suffering all the time the most hear be was troubled outch with a disease of the lunes; som would have dreaded dearly that he can compare the fee owels. After suffering worse than death at the Sailor ine was of no use to him, that he most try to stir about At this time he was suffering the greatest misery. Tha his bones were so tender he could not bear the least press are upon the elbow or apon the knee, that his instep wa st painful, that as the Doctor said be would give his no more medicine be determined to procure some of Dr. Brandreth's Pilis, which he did, from 241 Broadway New York; that he commenced with five nitle, and some times increased the dose to eight. The first week's use proached him. The moment he noticed so much benefited him, that the doctor, not knowing her he stood still, as if to let her pear, and what he was using, said, now, Suaw, you look like a man again; if you improve in this way, you will soon b That he found every dose of the Brandreth Pills and anger. ool; that they next cored the diatrhes, and finally the pains in his bones;—That the medicine secured to add strength to him every day. He cold the doctor yesterday the 11th instant, that he felt himself well, and also Providence, that he had taken the medicine every day for 19 days; that the doctor told him if he had known he had been taking that medicine, he should not have slayed another day in the house. He considers it is his dat a icalifement for thebracks of all sin afficient; that they may know where to find a medicine Landing the exclaimed pagings but will care them. 100M SHAW. Landing the exclaimed pagings that will care them. 100M SHAW. Landing the exclaimed pagings the land Shaw being by me duly swore this 12th day of time with vigorous steps until and time. Landing the first state of the state of the

THE LIEBARY

AN IRISH LEGEND.

Be the author of "Traits and Store Irish Peasantry," [The reader, in perusing the legend must have the kinders der his imagination to a detril stances that have but very few laces port them. The story of the factories to have heard store to and I am certain that the custom manding a sum of money from the

manding a sum of money from the ration of the town in which he ration appear, is one of its component. With respect to the mode of control only say, that a habit so barbands gilism, is, even at this day, was this recon-parably more brutal, and the reader north not le surprised at the fact of the legitinate rules of that, which was not that known as a 'science' having been deputited from. At all events, neither have been AMES HOWARD & Co., Manufacturers of Wall Paper, No. 18, Wood Street, Pittsburgh, Pa.— her's secret, nor the nature of the latest style and print PAPER HANGINGS. Velvet and Imitation Rorders, of the latest style and handsome were detailed to me in the I.

the way, I may observe that accounts of They manufacture and have or hand at all times— such contests at a time interpretation. Letter, Wrapping and Tea Paper, Bon lone, but are also him with in Scot- and Putters' Boards—all of which they offer fur sale he most accommodating terms; and to which they land.

The attention of merchants and others.

The attention of merchants and the best quality of the long in the beginning of the contury—as nearly as we said the long interpretation of the long in th

conjecture the year might be that of 1720 -some time about the end of April & young man named Lamh Laudher O'Rorbie or strong handed O'Rorke, was proceeding DY Morrison 4 Co. London, for sale only by S. N. from his father's house, with a stout caken Wickersham, corner of Wood street and Virgin cudgel in his hand, towards an orchard that stood at the skirts of a Country town, in part of the kingdom which, for the present shall be nameless. Though known by the epithet of Lamh Laugher, his Christian ounty containing 100 acres, 65 cleared and under good name was John; but in these times Irisk families of the same name were distinguishorchard of 30 bearing trees—and a spring of excellent ed from each other by some term indicate water convenient table house. tive of their natural disposition, physical power, complexion, or figure. One for instance; was called Parra Ghastha, of swift Paddy, from his fleetness of foct another Shaun buie, or yellow Jack, from his billious look; a third, Micaul More, or big Michael, from his uncommon size; and consulations without weakening the bodily never, it is sow understood that there is a reciprocal indicate be be ween the mind and the body. It is now understood that the color of his hair. These epithers ween the mind and the body. It is now understood that the color of his hair. ween the mind and the body. It is now unner to be sure, will still occur, and the times though and even insanity is cared by persevering thing far less frequently now than in the times of which we write, when I rish was the very nacular language of the day. It was for a reason similar to those just alleged that John O'Rocke was known as Lamh Laite. ill human means of refief. It is now not only well her O'Rocke; he, as well as his forefathers nown that the Brandreth Pilisso cure, and respect to two or times governor that it is by their purifying effect remarkable for prodigious bodily strength remarkable for prodigious bodily strength. on the blood that they restore the body to health.

The value of the medicine is becoming more and more and courage.

The evening was far advance. manifest, it is recommended daily from family to family ced as O'Rorke bent his steps to the The pale but cloudiess sun hung rate the blood, and their good effects are not counterbalan over the western bills, and shed upon the quiet gray fields that kind of tranquil radis auger; and their effects are as certain as they are sale ance which, in the opening of Summer's are; they are daily and safety administered to infancy. | causes many a silent impulse of delight to itical and deheate dreumstaners. They do not disturb steal into the heart. Lamh Laudher felt this; his step was slow, like that of a man who, without being capable of tracing those sources of enjoyment which the spirit alac sorbs from the beauties of external nature has yet enough of uneducated taste and feeling within him, to partake of the varied

reast which she presents. As he sauntered to the city. He hores to share the confidence of his ed thus leisurely along, he was met by former nations and the public generally; and soficits a woman rather advanced in years, but still unusually stout and muscular, considering her age. She was habited in a red woollen petticoat that reached but a short dise tance below the knee, leaving visible twe stout legs, from which dangled a pair of red gaiters that bound up her coarse hose will apply personally or by letter, or if desired can be Her gown of blue worseed was printed up; for it did not meet around her person, thou it sat closely about her neck. Her grizzly red hair turned up in front, was bound by a dowd cap without any border, a circumstance which, in addition to a red kerchief tied over it; and streaming about minerials ches down the back, gave to her tout en semble a wild and striking expression: Ac short oaken staff booked under the hand completed the description of her costume Even on a first glance there appeared to be something repulsive in her features. which had evidently been much exposed to sun and storm. By a closer inspections

> outline, a character of cruelty and intropide ity. Though her large check bones stood wide asunder, yet her gray piercing eyes were very near each others ber nose was short and sadly disfigured by a sear that ran transversely scross it, and her china though pointed was also deficient in length Altogether, her whole person had some thing peculiar and marked about it much so, indeed; that it were impossible me meet her without feeling she was a female.

> of no ordinary character and habits. Lamh Laudher had been, as we have said, advancing slowly slong the craffe road which led towards the town, when she issued from an adjoining cabin and and proached him. The moment he noticed attered one single exclamation of chagrin

> ·Ma shaughth milia mollach ort, a cali lingh! My seven thousand curses on the for an old hag, said he, and thus giving s vent to his indignation at her appearances he began to retrace his stops as if un william e

> The son of your father needn't lay there eur o upon us so bitterly, all put lambig Lauding! she exclaimed, pasing want time with vigorous steps until hip on
