EVANS'S CAMOMILE PILLS.—ABRAM J. CLEMER, residing at 66 Mott street, New York, was afflicted with Dyspepsia in its most aggravated form. The symptoms were violent headache, great debility, fever, costiveness, cough, heart burn, pain in the chest and stomach always after eating, impaired appetite, sensation of sinking at the stomach, cold sweatings, nausea, with frequent vomitings, dizziness towards night and restlessness. These had continued upward of a twelvemonth, when, on consulting Dr. Wm. Evans, 100 Chatham street, and submitting to his ever successful and agreeable mode of treatment, the patient was completely restored to health in the short space of one month, and grateful for the incalculable benefit derived, gladly came forward and volunteered the above state. CARR'S PATENT LAMPS, FOR BURNING LARD.—Those who would wish greatly to reduce their expense for light, should certainly purchase one of above named Lamps, as by their use there is a clear saving of at least two-thirds of the expense over Oil, and the light obtained from this is pure and brilliant, and wholly free from smoke or disagreeable smell. We would here state that Carr's Patent is the only one worthy the attention of the public, as it is the only one that is applicable to every variety or pattern of Lamps, and the only one that will burn Lard well, at any temperature of cold or heat. We have in the short space of three months, sold several thousands and with scarce an exception, those using them have expressed themselves highly pleased with them, and fully convinced of the great economy by their use, as well as their superiority over either oil or candles, in regard to cleanliness and light.

The above named lamps can be had only at BROWN & RAYMOND'S, Third street, nearly opposite the Post Office.

and Glass Lamps, of various patterns.

Glass lamps sold at manufacturers' prices.

We take pleasure in offering to the public the following certificate, which is subscribed to by many respectable citizens.

We, the undersigned, have tried and are now using Carr's Patent Lamps, for burning lard or other animal fat, and we have no hesitation in saying that they give an excellent light—equal to any of the ordinary modes of lighting a house, at about one-third the cost, and wholly free from smoke or other disagreeable smell. We take a pleasure in recommending these lamps to the public, as by their use there is a great saving over either sperm or lard oil, or even candles; and we believe them to be more cleanly and less troublesome than either.

To be had at Brown & Raymond's only, Third street, nearly opposite the Post Office.

TO THE PUBLIC, *and particularly to my former patrons of this city:*—Having retired from the practice of Medicine, I may be permitted to say, that it has fallen to the lot of but few persons to have enjoyed so liberal or large a share of obstetrical practice as my own has been for the last 30 or 40 years.

The experience of that long period of active life, and the fact of my having been twice, since 1830, associated with Dr. R. A. Wilson, in the practice of medicine, (in both a period of five years,) enables me to judge fully of the merits of his pills.

So convenient, so efficient, and yet so safe, did I esteem these pills, that for the last five years in my practice for the cure of chronic diseases, of whatever name, and those of females in particular, I have used more of them than all other medicines.

Like every other medicine, this must fail in some instances, but in my hands there has been less disappointment and more satisfaction in the administration of this one remedy than of all others; its good effects sometimes quite astonishing me.

If my patient required a safe aperient medicine either before or after parturition, the Wilson's pills were just the thing I wanted.

If a dyspeptic acid condition of the stomach, combined with costiveness or inactivity of the liver, constituted the disease of my patient, the pills were just the thing I wanted.

If I treated a case requiring an emmenagogue, the Wilson's pills were just the thing I wanted.

If palpitation, headache, flushed countenance, or other difficulties, indicating a disturbance of the circulatory and secretory systems, annoyed my patient at the 'turn of life,' the Wilson's pills were just the thing I wanted.

Thus, without respect to the name, a disease might happen to wear at the time I have had it under treatment, particular indications or symptoms arising, were always most promptly and most happily met by the Wilson's pills.

That so great a number of diseases, and sometimes apparently opposite ones, in which I have used these pills, should be cured more readily by them than by any other remedy, may at first seem strange and contradictory, but why it is so is as clear to my mind as that a great many persons should become thirsty from as many different causes and yet all require that common and greatest of all blessings, water to quench their thirst.

In conclusion, it is due the reputation of the medicine and the public, to say decidedly and unconditionally, that the Wilson's pills are the only combination I have ever met with in my long course of practice, that really possesses anything curative or specific for sick headache.

Yours &c., DR. MILO ADAMS

The above Pills designed particularly for the sick Head Ache, Dyspepsia, Costiveness, Bowels &c., prepared by the proprietor, Dr. R. A. Wilson, and for sale, wholesale and retail, at his dwelling in Penn street, below Market. Oct 3

PROSPECTUS!

*For publishing a new Daily Paper in the City of Pittsburgh, to be entitled the*

## DAILY MORNING POST.

THE Subscribers having made arrangements to merge the American Manufacturer and Pittsburgh Mercury into one Journal, have concluded to publish a daily paper with the title of the *Daily Morning Post.*

The leading object of the "Post" will be the dissemination and defence of the political principles that have heretofore been maintained by the Editors, in their respective papers, and their best efforts will still be devoted to the advancement and success of those doctrines.

Although, in politics, the paper will be thoroughly democratic, yet the Editors hope, by giving an honest, candid history of passing Political events, Foreign and Domestic Intelligence, and brief notices of all matters and occurrences that come properly within the sphere of a Public Journal, to make their paper sufficiently interesting to entitle it to the patronage of the public, irrespective of party considerations.

In addition to the political and general news that will be found in the "*Morning Post,*" the Editors will take pains to furnish the business community with the latest and most interesting COMMERCIAL INTELLIGENCE from all parts of the country, and to have prepared such accounts of the Markets and the State of Trade as will be advantageous to our Merchants and Business Men in their several callings.

*Terms.*—The Post will be published on a large imperial sheet of fine paper, (manufactured especially for this Journal) at the unusually low rate of FIVE DOLLARS per annum, payable in advance. It will also be sold by news boys at the low rate of TWO CENTS a copy.

TO THE WISE.—It is now well understood how much dis orders of the mind depend for their cure upon a due attention to the body. It is now understood how valuable is that medicine which will remove morbid accumulations without weakening the bodily power. It is now understood that there is a reciprocal influence between the mind and the body. It is now understood that purging with the Brandreth Pills will remove melancholy, and even insanity is cured by perseveringly using them. It is now understood how much domestic happiness depends upon the healthy condition of the digestive organs.

It is now well known that the Brandreth Pills have cured thousands of hopeless and helpless persons, even when the first physicians had pronounced them beyond all human means of relief. It is now not only well known that the Brandreth Pills so cure, but it is also understood how they cure; that it is by their purifying effect on the blood that they restore the bodily to health.

The value of the medicine is becoming more and more manifest, it is recommended daily from family to family. The Brandreth Pills remove in an almost imperceptible rate the blood, and their good effects are not counterbalanced by any inconveniences; being composed entirely of vegetables they do not expose those who use them to danger; and their effects are as certain as they are salutary; they are daily and safely administered to infancy, youth, manhood, and old age, and to women in the most critical and delicate circumstances. They do not disturb or shock the animal functions, but restore their order and establish their health.

Sold at Dr. Brandreth's Office, No. 93, Wood street, Pittsburgh. Price 25 cents per box, with full directions.

CAUTION.—The only place in Pittsburgh where the genuine Pills can be obtained, is the Doctor's own office, No. 93 Wood street. sep 10

DR. J. B. TIBBITTS, Respectfully informs the citizens of Pittsburgh and vicinity, that he has returned to the city. He hopes to share the confidence of his former patrons and the public generally; and solicits a renewal of a portion of their patronage. In connexion he would observe, that the operation of Lithotrity, (or breaking the stone in the bladder and allowing it to pass off with the urine,) is every where commanding the deepest interest. He hopes to extend the benefit of this branch of his profession to the afflicted. Strictures, Diseases of the Bladder and Kidneys,—which occasionally follow,—will likewise receive attention.

Those from a distance wishing further information will apply personally or by letter, or if desired can be accommodated at his dwelling, in a retired part of the city, on Third, between Ferry and Liberty sts. sep 10

*EXTRAORDINARY CURE OF RHEUMATISM DIARRHŒA, AND AFFECTION OF THE LUNGS*

James Shaw, of Pembroke, Washington county, Maine, being duly sworn, says, that he was taken violently sick about six months since. The pains in his head, breast, back, left side and instep being so bad that he was unable to help himself, and was taken into the Chelsea Hospital in the city of Boston. That after being in said hospital five weeks, Doctor Otis said he did not know what was the matter with him, and that he could do nothing for him, therefore, was conveyed from said Chelsea Hospital to the Sailor's retreat on Staten Island. That he was there physicked with all sorts of medicine for a period of four months, suffering all the time the most heartrending misery.—That, besides his affection of his bones he was troubled much with a disease of the lungs: sometimes he would spit a quart of phlegm in the day; besides this affection he had a bad Diarrhœa, which had more or less attended him from the commencement of his sickness. That at times he dreaded a stool worse than he would have dreaded death; and he can compare the feeling to nothing save that of knives passing through his bowels. After suffering worse than death at the Sailor's Retreat, on Staten Island, the doctor told him that medicine was of no use to him, that he must try to stir about. At this time he was suffering the greatest misery. That his bones were so tender he could not bear the least pressure upon the elbow or upon the knee, that his sleep was most painful, that as the Doctor said he would see him no more medicine he determined to procure some of Dr. Brandreth's Pills, which he did, from 241 Broadway New York; that he commenced with six pills, and sometimes increased the dose to eight. The first week's use so much benefited him, that the doctor, not knowing what he was using, said, now, Shaw, you look like a man again; if you improve in this way, you will soon be well.' That he found every dose of the Brandreth Pills relieve him, first they cured him of the pain when at stool; that they next cured the diarrhœa, and finally the pains in his bones;—That the medicine seemed to add strength to him every day. He told the doctor yesterday the 11th instant, that he felt himself well, and also, that he owed his recovery to Brandreths Pills under Providence, that he had taken the medicine fevery day for 19 days; that the doctor told him if he had known he had been taking that medicine, he should not have stayed another day in the house. He considers it is his duty to make this public statement for the benefit of all similarly afflicted; that they may know where to find a medicine that will cure them. JOHN SHAW.

John Shaw being by me duly sworn this 12th day of April, 1842, did depose and say that the foregoing statement is true. J. D WHEELER, Commissioner of Deeds.

The *BRANDRETH PILLS* are sold at Dr. Brandreth's principal office, 241 *BROADWAY*, New York, and at his other office, No. 93 Wood street, Pittsburgh, and by the *AGENTS* for the *CITY* of Pittsburgh.

### THE DEAD BOTHER.

AN IRISH LEGEND.

*By the author of "Traits and Stories of the Irish Peasantry."*

CONCLUDED.

*Dher ma Chuirp*, said she, without even a previous word of salutation, but I'll lay my life that Lamh Laudher bates the black. In that case he'd be highest wid the town than ever. He knocked him down last night.

Well said Rody an' what if he does? I would feel rather satisfied at that circumstance. I served the black dog for five years, and a more infernal tyrant never existed, nor a milder or more amisible woman than his wife. Now that you have his money, the sooner the devil gets him the better.

To the black *diouol* wid yourself, an' your English *gosther*, returned Nell, indignantly; his wife! *Dhamnonorth*, does make my blood boil by spakin' a word in her favour. If Lamh Laudher comes off best all I've *struv* for his knock on the head. *Dher Chiernah*, I'll crush the sowl of his father or I'll not die happy.

Nell, you're bitterer than soot, and blacker too observed Rody.

Am I? said Nell, an' is it from the good crathur that was ready, the other night, to murdher the mild innocent woman he spakes so well of, that we hear such coorse.

You're mistaken there, Nelly, replied Rody, I had no intention of taking away her life, although I believe my worthy comrade here in the red hair, that I had ed out of a certain jail once upon a had no scruples.

No, sure the scruple! said the other I was in the act of covering her mouth to prevent her from either her old servant or making a noise it was sent to save her life that I er than take it, said Rody.

I know this
