TO THOSE WHOSE OCCUPATIONS TEND TO PRODUCE OR AGGRAVATE DISEASE .- This class of individuals is very numerous. They are those who work in an unhealthy atmosphere. Printers, worknan in feather stores, stone cutters, bakers, white lead nanufacturers, are all more or less subject to disease acardiag to the strength of their constitution. The only d to prevent disease, is the occasional use of a idicine which abstracts from the circulation all deleteors, and expels them by the bowels. Toutes n any form are injurious, as they only gat off the evil to make it more fatal. The use of Brandreth's Pills lasure health, because they take all impure matter enviloped or packed for transportation, and directed to thas: **at of the blood**; and the body is not weakened but **brongthened by their operation**, for these valuable Pills **constituents** and force, but they must a nature, and are not opposed. **the constituents** and are not opposed. **the constituents** and are not opposed.
