DAILY MORNING POST.

JANUARY 7, 1843.

Otto Motty.

It will be seen by the advertisement that his celebrated Rider appears at the circus for two nights more, we witnessed his truely wonderful feats last evening, also the Infant prodigies, the little Motty's, and was much pleased. Madame Rumor has said that something superior was to be produced, but the old lady scarcely did the manager justice. We feel sure that all who witnessed the performance of the Company last evening, will bear us out in the assertion when we say, that it far exceeded any thing of the kind ever offered to a Pittsburgh audience.

Monongahela Navigation.—We regret to learn that we were in error in stating in our paper of the 20th ult., that Messrs. Moorhead & Lothrop had undertaken the completion of the above work. We have now ascertained that those gentlemen, in connexion with Judge Schnable, of Union, made a proposition for the completion of the work: That proposition was accepted by the company *on conditions*, which conditions the bidders never acceded to, and they have now withdrawn their proposition altogether.

We like nice people above all things; and especially those who keep their front windows clean—but there is such a thing as being overly nice. For instance we have seen some washing their windows on cold days, which of course causes the pavement to be covered with ice. Let your window glass remain opaque and light a candle, rather than endanger the limbs of your fellow citizens.

Mayor of Allegheny.

MAYOR'S OFFICE,
Allegheny, Dec. 31, '42.

Fellow Citizens:—I had, at one time, intended to decline being a candidate for re election to the office of Mayor of this city.—Your kind invitation, under date 29th inst., to permit my name to be placed on the list of candidates for that office, has just been received; and coming as it does, from so numerous and respectable a portion of my neighbors and fellow-citizens, as well as the flattering manner in which you have been pleased to make the call, demands my grateful acknowledgments. MORE PROOFS
Of the Efficacy of Dr. Sompyens' Compound Syrup of Prunus Virginiana or Wild Cherry.

SIGNED OVER. SIGNED OVER TO AN END LESS ETERNITY BY ALL WHO WITNESSED THE pale and ghastly object caused by spitting blood and a most violent cough, with night sweats, a hoarseness, and sound of the voice indicating an alarming state of disease; my clergyman was plain with me, and stated that I had but a few days to live; my sister who witnessed my condition, and was my anxious caretaker, made inquiry where she would be liked, to procure the most certain relief she was told if Dr. SWAYNE'S COMPOUND SYRUP OF WILD CHERRY failed in the cure, my life was then hopeless. Dr. Swayne's Compound Syrup of Wild Cherry was then procured, and the first bottle gave relief, and by the time I had commenced on the fifth bottle, my cough had left me and my strength so much improved, that I was able to take the fresh air, and in a short time I entirely recovered my former health. For a corroboration of the truth of the above statement you can call on my sister who lives in Juniper street, one door below Race street, Philadelphia. Signed, ISAAC MORGAN REEVES.

Caution.—All preparations from this valuable Tree except the above are fictitious and counterfeit.

CHEAPER THAN EVER!
SPLENDID ASSORTMENT OF
READY MADE CLOTHING
AT THE THREE BIG DOORS,
No 151 Liberty st., one door from the Jackson Foundry.

THE Subscriber having prepared at his establishment the largest and most varied stock of READY MADE CLOTHING ever offered in the Western country, would respectfully invite the public to give him a call and examine his Goods and hear his prices before purchasing elsewhere. His stock consists in part of 1500 Coats, assorted sizes and quality; 2000 pair Pantaloons; 1800 Vessy s; 200 large assortment of Shirts, Drawers, Cravats, Stocks, Gloves, Suspenders, and every other article of winter Clothing.

His Clothing were all selected by himself in the Eastern Markets, and purchased at the very lowest cash prices, and consequently he can afford to give his customers BETTER BARGAINS than they can get at any other house in the city. Believing in the principle of "Protecting Home Industry" he has therefore had all his articles manufactured by Pittsburgh workmen, and he has no hesitation in saying that they will be found in every respect superior to the *Eastern manufactured* articles that are offered for sale in the shop shops that have recently *Anchored* among us.

In these times when *Home Industry* is occupying so large a share of public attention, as it always should, the proprietor of the "Three Big Doors" takes peculiar pride and pleasure in assuring the citizens of Pittsburgh that his Goods are *all manufactured* under his own eye, by the mechanics of his own town. He does not, like some of his rivals in trade, have his clothes made up in a distant city, in another State, nor does he advertise his Stock as bulls pitched three or four hundred miles from here. He goes on the principle that the mechanics of Pittsburgh can do work as well as any others, and he does not depend to draw money from their pockets to support distant workmen; while he asks them to sustain him, he does not wish a impoverish them by a drain to support far off mammoth workshops.

The subscriber would take this occasion to return thanks to his friends and customers for the unprecedented patronage extended to his establishment, and to repeat his invitation to all those who wish to purchase clothing of every description, made in the latest fashion and sold on the most accommodating terms, to call at No 151 Liberty street.

THORN'S TEA BERRY TOOTH WASH.—*A New Invaluable Remedy.*—The extreme beauty of the teeth, their indispensable use, and the frequency of their decay, has led to many inventions for their preservation; yet how to pre serve them in a state of health an pristine beauty, to the latest periods of existence, was entirely unknown until the discovery of the above invaluable preparation. It forms a pure tincture composed of vegetable ingredients, and is possessed of the most delicious odor. It eradicates tartar from the teeth, removes spots of incipient decay, polishes and preserves the enamel, to which it gives a pearl like whiteness, and, from its detersive properties, possesses the virtue of giving sweetness to the breath.

As an *Anti Scorbutic*, the Gum also share in its transcendent powers; leprosy is eradicated from them, a healthy action and redness is induced, which offers to the notice of the medical practitioner indubitable evidence of their healthful state. It has been examined and used by several of the best physicians of this city, who have no hesitation in recommending it as an excellent wash for the Teeth, Gums etc.

Among the recommendations to the above are the following:

Having tried Dr. "Thorn's Tea Berry Tooth Wash," and become acquainted with the ingredients of its composition, I cheerfully say, I consider it one of the safest, as it is one of the most pleasant Tooth Wash es now in use.

Pittsburgh Sep. 15, 1842 DAVID HUNT, Dentist.

I take pleasure in stating, having made use of "Thorn's Tea Berry Tooth Wash," that it is one of the best dentrifices in use. Being in a liquid form, it combines neatness with convenience. While it cleanses the enamel and removes the tartar from the teeth, its perfume yields a fragrance peculiarly desirable. J. P. TIBBETTS, M. D.

The undersigned have used "Thorn's Compound Tea Berry Tooth Wash," and have found it to be an extremely pleasant dentifrice, exercising a most salutary influence over the Teeth and Gums; preserving those indispensable members from premature decay, preventing the accumulation of Tartar, and purifying the Breath. Having thoroughly tested its virtues, we take pleasure in recommending it to the public, believing it to be the best article of the kind now in use.
