8th of January Convention .- . The pro cerdings of this body have been received, and will be published in a few days.

The din of preparation is already heard for the magnificent contest for a member of the Common Council in the Second ward next Tuesday The aspirants, am bitious of the honors of the office, are marshaling their cohorts, and seem eager for the approach of the eventful day, "big with the fate of Firtune and of Singer." We commend their cause to the god of battles, and the 'unterrified' voters of the ward.
