

DAILY MORNING POST. JANUARY 18, 1843.

Section of City Officers. Yesterday the Council met at the New Court House for the purpose of electing city officers for the present year.

The following are the names of the successful candidates: Treasurer—James A. Betram. Solicitor—Andrew Wylie Esq.

Some persons with a view no doubt subserving the cause of morality in our good city, made a curious onslaught upon Blind Sam's domicile last Saturday night.

A man in Allegheny took a skiff on Sunday night. It is supposed that a neighbor's apprentice, who absconded because he was too well kept, took it with him in his winding way.

A little Amazonian combat came off last before yesterday in Second street, all about a clothes line. No damage done in particular, that we have heard of.

Circus.—Miss Gulliot's Benefit takes place this evening; we trust all who have a desire to see something almost incredible will attend this evening.

ARRIVALS. Miss Giff, Devonny, Wheeling. Chlo, Bowman, Brownsville. Belmont, Poe, Wheeling.

DEPARTED. Harrisburg, Smith, Louisville. Alpine, Knobkum, Brownsville. Mingo Chief, Devonny, Wheeling. Princeton, Louisville.

The tin. The time of the 13th says the Ohio is very high, and continues to rise rapidly. The Wheeling Gazette of the 10th inst. says: "The river, this morning, is very high, having risen nearly 8 feet last night."

A Nashville paper of the 10th, says—"The Cumberland has risen some 6 feet, giving 9 feet water on the shoals. The snow is now melting, and we may expect a high flood in a few days."

The Miami canal is not open sufficient for boats to venture out, especially as the weather, last night, changed to very cold, consequently we have no arrivals to note.

The B. B. one arrived at St. Louis on the 6th last, from the mouth of the Osage river, and has been ice bound, reports the Missouri river breaks up, and at present, falling.

The steam Lebanon, is now lying at Lexington, the Erie at Louisville, and the Iatan 10 miles below the mouth of the Osage.

CINCINNATI MARKET.—Flour is sold at \$2.02, & 2.75. What comes in slowly. Hogs remain about any change in the rates we quote \$1.63, a \$2.00 as the outside. Barrels, we learn, are in demand at advanced rates, say \$2.4 a \$1.00 each.
