WOR PRESIDENT.

DAILY MORNING POST

JIMES BUCHANAN,

TUESDAY, JANUARY 24, 1843.

See First Page.

The Bankrapt Act. reports of Congressional proceedlogs, it will be seen that the House, a few days ago, repealed the Bankrupt Act. Im-

this displayed wisdom in this hasty and uns of Crichton and many other beautiful egaditional vote of repeal. We believe dramas,') but late Commissioner of Agrithat nearly all the mischief which a bank- cultural Surveys of Massachusetts, contemrupt law could produce, has now been done, plated a visit to Europe shortly, with a The reckless and the dishonest, those who view of making a Survey of the Rural do not deserve the immunity it gives, have Economy and Husbandry of England, almost all availed themselves of it; they and several of the best agricultural counlost no time in ridding themselves of the tries on the continent. His plan is to spend Intervances of indebtedness at so easy a a year in England, and another year on But there are doubtless many hon- the continent, in examination of the Engest men, who look with repugnance upon lish, French, Swiss and German systems the ordeal of an insolvent court, and have of agriculture, and their Manuel Labor, been struggling in every way to avoid what Schools and experimental Farms. they look upon as a disgraceful alternative; This move, which cannot be too highly

wown-trodden debtor.

of stay laws and other permisious means of tute their mite in aid of the causa procrastination, can stave off the day of payment, until their creditor is himself dues. These evils can only be remedied by a bankrupt law, and we think it much better to amend the one we have, than to

abolish it with so much precipitancy.

In this State, if the bankrupt law be repealed, we must fall back upon the odious and unjust law of Assignmen', which gives to the dishonest man every advantage he tain persons who may or may not be real every honest and unsuspecting man he and the cases of those whose claims are small are never thought of and never reach. ed. Besides this, to repeal the bankrupt act, now, would be to give a fresh imper ed a salutary check, and which, we believe, adjourn.

oughe to be still further restricted. For our own part, therefore, we think that bad the' the bankrupt law may be, it is far preferable to our State insolvent laws -and we do hope that the President may have courage and firmness enough to veto the bill repealing the act, and to suggest such, reforms in the present law as may make it tolerable to the most determined of its opponents. Let corporations be made subject to its provisions. The objection of the ultra State Rights men that this would be giving the Federal Government too much control over State institutions we regard as utterly invalid, and as carrying the contents. watchful jealousy of State rights which we always hope to see cherished, to an extravagant length. The control of a bankrapt law over the banks would always be salutary, and for the public good. We do not see how it could operate on them in any other way.
