of January, 1842, the proceeds of this tax are stated at \$33,000, instead of \$1,000, JAMES BUCHANAN '000. Now, why are the people willing to give \$70,000 000 to 4,500 people, for the Best their bills; and will not pay \$1,000, 000 for the honor of the State? It is because the robberies of the banks have left them without the means.

The Time Prolonged .- The Journal of Commerce has the following tidings, which, if true, are exceeding comfortables show-These modern prophets should brush up "It is understood that Miller and his asprovided themselves, are not likely to be
