no more medicine he determined to procure some of Dr., New York; that he commenced with five pills, and some strangled. From a medical man who had simply the commenced with five pills, and some strangled. From a medical man who had the commenced with five pills, and some strangled. New York; that he commenced with five pills, and sometimes increased the dose to eight. The first week's use so much benefited him, that the doctor, not knowing what he was using, said, now, Shaw, you look like a man again; if you improve in this way, you will soon be well.' That he found every dose of the Brandreth Pills relieve him, first they cured him of the pain when at stool; that they next cured the diarrhora, and finally the pains in his hones:—That the medicine segmed to add

PRICE TWO CENTS.

## DAILY MORNING POST.

Interesting foreign Items. The accouchment of the Queen, will not take place, it is expected, before May. Her Majesty will have little to do with the aper with the title of the Daily Marning Post.

The leading object of the "Post" with be the dissembla.

'Koyal speech' this sea 'interesting situation.' 'Royal speech' this season, owing to her tion and defence of the political principles that have here-tofore been maintained by the Editors, in their respective Lord Morpeth is not about to publish a

papers, and their best efforts will still be devoted to the work on America. Sensible man. papers, and their best efforts will still be devoted to the advancement and success of those doctrines.

Although, in politics, the paper will be thoroughly democratic, yet the Editors hope, by giving an honest, candid history of passing Political events, Foreign and Domestic Intelligence, and brief notices of all matters and occurrences that come properly within the sphere of a Public Journal, to make abely paper sufficiently incresting to entitle it to the patronage of the public, irrespective of party considerations.

WOIK On America. Sensible man.

The Caledonia experienced such bad weather she could not land her pilot, and had to bring him to America. Involuntations to be could not land her pilot, and had to bring him to America. Involuntations to considerations.

eresting to entitle it to the patronage of the public, irrespective of party considerations.

In addition to the political and general news that will be found in the "Morning Post," the Editors will take pains to furnish the businesse community with the latest and most interesting Commercial interest.

A woman at Ledney, with four children and other incumbrances, walked to church or new from all parts of the country, and to have prepared such accounts of the Markets and the State of Trade with no other covering but a sheet, under ed such accounts of the markets and the state of risage the common but erroneous notion that her Men in their several callings.
