THO THOSE WHOSE OCCUPATIONS TEND TO PRODUCE OR AGGRAVATE DISEASE .- This class of individuals is very numerous. They are those who work in an unhealthy atmosphere. Printers, work men in feather stores, stone cutters, hakers, white lead manufacturers, are all more or less subject to disease ac cording to the strength of their constitution. The only method to prevent disease, is the occasional use of a medicine which abstracts from the circulation all deleterious humors, and expels them by the bowels. Tonics in any form are injurious, as they only put off the evil the largest and most varied stock of READY riqus humors, and expels them by the bowets. Tonics in any form are injurious, as they only gut off the evil day to make it more fatal. The use of Brandreth's Pills MADE CLOTHING ever offered in the Western counwill insure health, because they take all impure matter try, would respectfully invite the public to give bin a
