CARR'S PATENT LAMPS, FOR BURNING LARD. Those who would wish greatly to reduce their expense for light, should certainly purchase one of the above named Lamps, as by their use there is a clear saving of at least two-t birds of the expense over Oll, and the light obtained from this is pure and brilliant, and wholly free from smoke or disagreeable smell. We would here state that Carr's Patent is the only one worthy the attention of the public, as it is the only one working the cather to every variety or pattern of famps, and the only ne that will burn Lard wELL, at any temperature of cold one that will furn Late want, as any competence of three mouths, or heat.
