To THE PUBLIC, and particularly to my former patrons of this city:—Having retired from the practice of Medicine, I may be permitted to say, that it

> with costiveness or inactivity of the liver, constituted the disease of my patient, the pills were just the thing I If I treated a case requiring an emmenagogue, the Wilson's pills were just the thing I wanted.
> If palpitation, headache, flushed countenance, or other

difficulties, indicating a disturbance of the circulatory and secretory systems, annoyed my patient at the tur and secretary systems of tife, the Witson's pills were just the thing I wanted.

Thus, without respect to the name, a disease migh happen to wear at the time I have had it under treat glways most promptly and most happily met by the That so great a number of diseases, and sometimes ap parently opposite ones, in which I have used these pills should be ented more readily by them than by any other remedy, may at first seem strangs and contradictory, but

why it is so is socient to my mind as that a great many persons should become thirsty from as many different causes, and yet all require that common and greatest of all blessings, water to quench their thirst.

In conclusion, it is due the reputation of the medicine and the artific terms deather. and the public, to say decidedly and unconditionally, that the Wilson's pills are the only combination I have eve met with in my longcourse of practice, that really posmet with in my long course of practice, the text of the course anything curative or specific for sick headache, Yours &c., DR. MILO ADAMS.

The above Pills designed particularly for the sicl Haed. Ache, Dyspepsia, Constipation of the Bowels &c.

But ere the bird had time to enjoy the youth, manhood, and old age, and to women in the most fruits of his victory, the report of a musturn, lay dead by the side of his venomous ine Pills can be obtained, is the Loctor's own office, No. him with a fowling piece in his hand. Well, Atar Gul, said the young man, in

sliding down from the summit of the rock, It was a good shot, master-but I am sorry that you killed the bird-for these Secretaries wage war with the venemous serpents, with which our mountains are in-

fested. And the black pointed to the dead reptile-which was 7 or 8 feet long and 4 or 5 inches in diameter, Ah! exclaimed Theodore -I regret it now-for I do detest these hideous serpents-I would give half my fortune to be

able to exterminate these monsters. You are right, master, said Atar Gul.-They are a great nuisance, and their bite almost always proves fatal.

It is not only that, said the young man, but you know that my betrothed Magueri, te-whom if Heaven wills, I am to wed to-DIARRHEA, AND AFFECTION OF THE LUNGS | morrow, has a most unaccountable antipa-John Shaw, of Pembroke, Washington county, Maine, being duly sworn, says, that he was taken violently sick about six months since. The pains in his head, breast, Less so than formerly, I confess-for once hack, left side and instep being so had that he was unahieto help himself, and was taken into the Chelsea Hospital in the city of Boston. That after being in said
hospital five weeks, Doctor Oits said he did not know

er, and myself, have at various times tried what was the matter with him, and that he could do nothing for him, nor could be prescribe any medicine. That he, therefore, was conveyed from the Chelsea Hos.

That he, therefore, was conveyed from the Chelsea Hos. pliat to the Sailor's retreat on Staten Island. That he was there physicked with all sorts of medicine for a peritod of four months, suffering all the time the most heart rending misery.— That, besides his affection of his bones he was troubled much with a disease of the lungs; sometimes he would spit a quart of philegm in the day; besides this affection he had a had Diarrhoz, which had more.

That is the only way to conquer her fool-

That is the only way to conquer her foolor less attended him from the commencement of his sick ness. That at times he drended a stool worse than be would have drended death; that he can compare the feeling to nothing save that of knives passing through his bowels. After suffering worse than death at the Sailor's ror. But a thought strikes me. A means Retreat, on States Island, the doctor told him that made. cine was of no use to him, that he must try to stirabout. presents itself of curing her of these fool-At this time he was suffering the greatest misery. That ish fears if you can only be prevailed upon his bones were so tender he could not bear the least pressto adopt it. And his eyes were for a mono nones were so that he character he could not be a like that his instep was most painful, that as the Doctor said he would give him no more medicine he determined to procure some of Dr. Brandreth's Pills, which he did, from 241 Broadway with us. But first let us cut off its head.

Noble fellowl said Theodore, as he assisted Altar Gul to separate the head of the

It is a female, whispered Atar Gul to stool; that they next eared the diarrhea, and finally the prins in his bones;—That the medicine seemed to add strength to him every day. He told the doctor yester day the 11th instant, that he felt himself well, and also habitation—the black dragging after himself. They proceeded towards Col. Willis's day the Hith instant, that he felt himself well, and also, habitation—the black dragging after him that he owed his recovery to Brandreins Pills under Providence, that he had taken the medicine levely day for 19 days; that the doctor told him if he had known he had been taking that medicine, he should not have stayed another day in the house. He considers it is his duty to make this public statement for the benefit of all similarly afficied; that they may know where to find a medicine that will que eliem.
