THE LITERARY POST.

From Grabam's Magazine for May, THE OLD WORLD ST GEORGE LONT. There was once a world a brave old world. Away in the ancient time, When the men were brave and the women fair And the world was in its prime; And the priest he had his book, And the scholar had his gown

With his broadsword hanging down. Ye may see this world is a brave old world In the days long past and gone, And the sun it shone, and the rain it rained And the world went merrily on The shepherd kept his sheep, And the milkmaid milked the kine. And the serving man was a stordy lood In a cap and doublet fine.

And the old knight stout, he walked about

And I've been told in this brave old world There were jolly times and free, And they danced and sung, till the welkin rung -All under the green wood tree. Thesexton chimed his sweet sweet bells, And the huntsman blew his born. And the hunt went out with a merry chout, Beneath the jovial morn.

Oh the golden days of the brave old world, Made hall and cottage shine; The equire he sat in his oaken chair And quaffed the good red wine; The lovely village maiden. She was the village queen, And by the mass tripped the grass To the May-pole on the green

When trumpets roused the brave world And banners flaunted wide, The knight bestrode the stalwart steed. And the page rode by his side. And p'umes and pennons tossing bright Dashed through the wild melee, All he who pressed amid them best. Was lord of all that day.

The ladies fair in the brave old world. They ruled with wonderous sway; But the stoutest knight he was lord of right. As the strongest is to day. The baron bold he kept his hold, Her bower his bright ladye, But the forester kept the good green wood All under the forest tree.

Oh how they laughed in the brave old world, And when they where tired of working They held it time to play The bookman was a reverand wight. And the curfew bell, with sullen swell, Broke duly on the gate.

And so passed on in the brave old world, Those merry days and free; The king drank wine and clown drank ale, Each man in his degree,
And some ruled well and some ruled ill, An I thus passed on the time, With fully ways in those brave old days

When the world was in its primeattempted Murder and Piracy on a Baltie
