let the matter drop. No one could supposs that General Dawson would have used the words, had he not been called back by the gentleman from Ohio. It was well known that there was not a more innocent member of the House than Mr. Giddings, or a more gentlemanly member than Gen. Dawson. Hence no one could for a moment suppose that the gentle push given was intended as an insult.

Mr. Giddings repeated, that so far as he was personally concerned he cared noths ing. He had no fears for his person. He
