contumelies, irremediable poverty, and that future world where equality that banished elxile from earth, has fixed its only and last abode. It is to that the German peasant's mind is gently wasted on the wings of melody, by the soft voices of his wife, "daughters and sons, together with the strains of his own flute or hautboy. It is music, in fact, which, while Frenchmen, Russians, and Englishmen lord it over earth and seas, has given to Germans the

TWENTY-SEVENTH U. S. CONGRESS. SECOND SESSION WASHINGTON, February 14, 1843.

Among the petitions presented, was one from a certain old woman, the widow of a revolutionary soldier, praying that Congress will cash for her \$210 in continental money, paid to her husband for his servi-

Mr. Evans was at loss to say to what committee such a committee ought to be referred. He thought, however, that should a committee on the '200 million land scrip' question be appointed, the petition might there be considered. It was For the present laid on the table.

The joint resolution authorizing the sale of the stock of the government in the Chesapeake and Ohio Canal to the State of Maryland, was taken up and passed. Mr. Berrien gave notice that on Monday next he will call up the bankrupt re-

peal bill. After the disposal of numerous reports, the Senate resumed the consideration of tariff resolutions of Mr. McDuffie. Mr. Evans having the floor, made a

long speech in reply to the former.

House of Representatives. Mr. Barnard gave notice that on Thurs- Mahogany Wood, day he will move to go into committee on Oils, (except Lard and the exchequer bill, and should the motion | Castor) 8 succeed, he will then offer sundry amends Queensware, ments to the bill.

Mr. Underwood, from the District com- S.ecl, mittee, said he was instructed to move Tar, that the committee of the whole be dis- Tobacco, (manufict'd) 10 charged from the consideration of the bill Do.
