FEBRUARY 20, 1843 We were a little astonished to find the following report of a resolution, which was agreed to, in the legislative proceedings published in the last Reporter: Mr. Heister offered a resolution instructing the committee on the Militia system, to enquire into We feel anxious to hear even the shadow of an argument in favor of repealing the law referred to. For our part we have been constrained to believe that the firemen in our cities and large towns perform much more service for the public, than all the militia of Pennsylvania "armed to the teeth" with cornstalks. There are not ten good citizens in this city and vicinity who would not sign it with all their hearts. APPORTIONMENT BILL. Both Houses: list District.
