DAILY MORNING POST.

MARCH 1, 1843.

Millerite Preaching.—It was stated in our paper yesterday that there was a convert to Millerism preaching in the Liberty street Methodist Church. We find that the statement is entirely erroneous. The Rev Cyrus Black, a zealous and efficient minister of the Methodist Episcopal Church, has been preaching there for several evenings past, and since his coming a revival has taken place, and the church is nightly attended by large numbers of people. Some remarks of his on last Sunday evening create I the impression that he approved of Miller's theory, and the rumor found its way into our columns.

The sport in the Councils is rich. It is a glorious privilege to be a member just now. Their deliberations are certainly amusing—particularly when the whigs are about to vote in favor of a measure that they know to be wrong, and they try to prevent the people from finding it out. It is a great pity that they do not meet in a room large enough to accommodate the citizens; who certainly have a right to partake in the sport of their public servants.

An election will shortly be held for Overseers of the Poor. There are plenty of men talking about coming out; many of them [we presume] want to get into the office so that they may be able to keep out of the Poor House. There will be no difficulty in making a good selection.

There was an alarm of fire on Monday evening.

THE WHOLE WORLD SHOULD KNOW THAT *Dr. JAYNE'S EXPECTORANT* is a *CERTAIN CURE FOR ASTHMA*, and that for Coughs, Colds, Consumption, Whooping Cough, Croup, Bronchitis, and every other disease of the Lungs or Throat it is sure to produce the most decided benefit. It is recommended by thousands who have tried it, and all say that it is the best remedy without any exception, for all Pulmonary Diseases that has ever been known, for it ALWAYS GIVES RELIEF, and CURES when every other means have failed.

Only give it a fair trial—We ask no more of any one, than to give Dr. Jayne's Expectorant a fair trial, and if it does not cure the various diseases for which it is recommended, sooner and more effectually than any other medicine that has ever been offered to the public, the proprietor is willing to undergo any penalty however severe, the public may see proper to impose upon him.—It has, it will, and it can cure Coughs, Colds, Asthma, Bronchitis, Bleeding from the Lungs or Throat, Whooping Cough, Croup, and a very large majority of the most hopeless cases of Consumption, when physicians and their prescriptions fail to do any good. Again we say, only try it. It will not harm you, but it must and will do good. It is prepared only by Dr. D. JAYNE, No. 20 south Third st. Philadelphia.

PHENOMENON IN CHEMISTRY—*Liquid Hair Dye*—colors the hair and will not stain the skin. This Dye is in the form of a Powder which on plain matter of fact may be applied to the hair over night, the first night turning the lightest or *grey hair* to dark brown; and by repeating a second or third night, to a jet black. Any person may, therefore, with the least possible trouble, *keep* his hair any dark shade or a perfect black, with the positive assurance that the powder if applied to the skin *will not* color it. There is no exaggeration in this statement, as any one may easily test. These facts are warranted by the chemist who manufactures it.

DENNING'S FIRE PROOF IRON CHESTS.

PITTSBURGH, OCT. 22, 1842.

J. DENNING—On Friday, the 30th of last month, about 9 o'clock at night, the Planing, Grooving and Sash Manufactory, owned by Gay, Dilworth & Co, with a large quantity of dressed and undressed lumber, was all consumed by fire.

The Iron Safe which I bought of you some time back was in the most exposed situation during the fire, and was entirely red hot—I am pleased to inform you it was opened at the close of the fire, and all the books, papers, &c, saved;—this is the best recommendation I can give of the utility of your safes.
