TO THOSE WHOSE OCCUPATIONS TEND TO PRODUCE OR AGGRAVATE DISEASE.—This class of individuals is very numerous. They are those who work in an unhealthy atmosphere. Printers, workmen in feather stores, stone cutters, bakers, white lead manufacturers, are all more or less subject to disease according to the strength of their constitution. The only method to prevent disease, is the occasional use of a medicine which abstracts from the circulation all deleterious humors, and expels them by the bowels. Tonics in any form are injurious, as they only put off the evil day to make it more fatal. The use of Brandreth's Pills will insure health, because they take all impure matter out of the blood; and the body is not weakened but strengthened by their operation, for these valuable Pills do not force, but they assist nature, and are not opposed, but harmonize with her.

Sold at Dr. Brandreth's Office, No. 93 Wood street, Pittsburgh. Price 25 cents per box, with full directions.

ABSOLUTE HEAL ALL.

10,000 *TRIALS.* and all successful prove *DALLEY'S MAGICAL PAIN EXTRACTOR* inestimable. It not only cures quicker, but gives no additional pain, nor leaves a scar. Fire is positively rendered harmless. ($10 has been offered six months to any person returning an empty box, and saying that all agony on anointing is not extracted in a few minutes, yet not one from thousands of trials since has claimed the bonus.) Parents anxious to guard against general injuries, and save time, fortune and life, and prevent their offspring from being disfigured by burns, or even small pox pustules, (it possessing the enviable power to replace the cellulary organs destroyed,) can do so by obtaining this inimitable salve. Many deeply burnt cases in the city can be seen, and one entire face burnt over and wounded three distinct times in the same spot while healing, yet in no case can be traced the least cicatrice or mark! For all kinds of burts its rapid soothing effects are also important; even sore eyes, all inflamations and broken breasts would be unknown. The toilet and nursery, for clearing the skin of pimples, removing chafe, etc., will find it indispensable. One using only will forever establish it the sovereign *HEAL ALL* quality. After this notice, heads of families allowing torture for months, and ultimately distorted features, can never wipe away reproach, justly uttered by a disabled child, for neglecting to triumph over fire.

Headache! Headache!

Dr. BRODIE'S ANTI DYSPEPTIC PILLS.

ARE now known to thousands as a most extraordinary remedy for this affliction as well as the incontrovertible fact of their curing DYSPEPSIA. Will those suffering only ask among their friends if they have not known of the *positive effects* of said Pills, and if they do not hear them more warmly praised (and deservedly too) than any other, then let them not buy them. In these few remarks, all fancy or imagination is excluded, and nothing will be said of their merits at any time but what can be fairly proved by respectable members of our community.

Read the following certificate given by a respectable citizen of Allegheny city, and attested by one of the judges of the Court of Common Pleas of Allegheny co.

ALLEGHENY CITY, January 9, 1843.

DR. BRODIE.

Dear Sir—I have for a number of years past been afflicted with a severe and almost constant Headache, arising from derangement of stomach and bowels and although I have taken nearly every kind of Medicine recommended for its cure, have never derived any material benefit until I used some of your truly valuable Anti Dyspeptic Pills. I have not taken quite two boxes and consider myself perfectly relieved from that distressing complaint. I have no hesitation in recommending your Pills as the best medicine I have ever used.

Yours, Respectfully,
J. B. TURNER.

I am acquainted with Mr. Turner, I have no hesitation in certifying that I consider the statements of Mr. T. respecting Dr. Brodie's Pills, as entitled to the most perfect and entire confidence. HUGH DAVIS.

BEFORE THE AMERICAN PUBLIC NEARLY SEVEN YEARS.
BENJAMIN BRANDRETH'S PILLS.

☞ This vegetable and truly innocent medicine, PURIFIES THE BLOOD, and immediately stays the further PROGRESS OF DISEASE, in the bodies of those whose powers of life are not already exhausted. Where human means can avail, there scarcely is any complaint, or form of sickness, that the BRANDRETH PILLS do not relieve and generally cure. Although these pills produce a KNOWN EFFECT, that effect is not to prostrate the body, as with other medicines, but the frame is invigorated by the removal of the cause of weakness, the morbid, the vitiated humors from the blood.

Harmless in themselves, they merely
ASSIST NATURE
To throw out the occasion of sickness from the body, and they require no alteration in the diet or clothing.

In fact, the human body is better able to sustain without injury, the inclemency of the weather, while under the influence of this infection destroying, disease eradicating Medicine than at any other time.

The importance of Brandreth's Pills for seamen and travelers is, therefore, self evident.

By the timely use of this Medicine how much anxiety and sickness, might we not prevent. Cold, Billious affections, Typhus, Scarlet and fevers of all kinds, would be unknown! But where sickness does exist, let no time be lost, let the BRANDRETH'S PILLS be at once sent for, that the Remedy may be applied, without further loss of time.—TO BE REMEMBERED—

That Brandreth's Pills have stood a seven years' test in the United States.

That they are a vegetable and innocent medicine, yet all powerful for the removal of disease, whether chronic recent; infectious or otherwise.

That they purify the blood, and stay the further progress of disease in the human body.

That, in many cases, where the dreadful ravages of ulceration had laid bare ligament and bone, and where, to all appearance, no human means could save life, have patients by the use of these pills, been restored to good health; the devouring disease having been completely eradicated.

That each of the genuine has upon it THREE COPYRIGHT LABELS

That each label has two signatures of Dr. Benjamin Brandreth upon it.

That there must be upon each box three signatures, thus:

B. BRANDRETH, M. D.

And three signatures, thus:—

BENJAMIN BRANDRETH.

DR. FRANKLIN SAYS:

"All acute fevers ever require some evacuation to bring them to a perfect crisis and solution, and that even by stools, which must be promoted by art when nature does not do the business itself. On this account, an ill timed scrupulousness about the weakness of the body is of bad consequences; for it is that which seems chiefly to make evacuations necessary, which nature attempts after the humors are fit to be expelled, but is not able to accomplish for the most part in these diseases; and I can affirm, that I have given a purge when the pulse has been so low that it could hardly be felt, and the debility extreme, yet both one and the other have been restored by it." The good effect to be derived from the Brandreth Pills cannot be too fully believed. By their timely use neither the scarlet, the typhus fever or small pox would ever assume their malignant form.

To appreciate to the full extent, the incalculable benefits of BRANDRETH'S PILLS, they must be used when the First Symptoms of Disease present themselves. One dose then, and their good effects will be felt throughout the attack—IT IS TAKING THEM IN TIME that is the great secret in the cure of all appearances of disease arising from bad blood, and I presume there are few at the present day, will say anything of those diseases which affect the body when the blood is pure. Such diseases I have yet to see.

Hoping that some who read this may be benefitted by so doing.

I am respectfully,
the public's servant,
B. BRANDRETH, M. D.

PILES cured by the use of Dr. Harlich's Compound Strengthening and German Aperient Pills

Dr. Harlich—Dear Sir—Shortly after I received the Agency from you for the sale of your medicine, I formed an acquaintance with a lady of this place, who was severely afflicted with the Piles. For eight or ten years this lady was subject to frequent painful attacks, and her physician considered her case so complicated, that he very seldom prescribed medicine for her. Through my persuasion, she commenced using your Pills, and was perfectly cured. Yours, &c. JAMES R. KIRBY

CERTIFICATES.—Letter from the Hon. Alb'n m M'Clellan, Sullivan County, East Tennessee, Member of Congress.

WASHINGTON, July 3d, 1838.

Sir—Since I have been in this city I have used some of your Dyspeptic medicine with infinite benefit and satisfaction, and believe it to be a most valuable remedy. One of my constituents, Dr. A. Carden, of Campbell county, Tennessee, wrote to me to send him some. which I did, and he has employed it very successfully in his practice, and says it is invaluable. Mr. Johnson, your agent at this place, thinks you would probably like an agent in Tennessee. If so, I would recommend Dr. A Carden, as a proper person to officiate for the sale of your celebrated medicine. Should you commission him he is willing to act for you. You can send the medicine by water to the care of Robert King & Sons, Knoxville county, Tennessee, or by land to Graham & Houston, Tazewell, East Tennessee. I have been in and out of Tennessee in several counties in East Tennessee, a great deal of medicine would be sold. I am going to take some of it home for my own use, and that of my friends, and should like to hear from you whether you would like an agent at Rimtsville, Sullivan County, East Tennessee; I can get some of the merchants to act for you as I live near there.

Yours respectfully,
ABRAHAM M'CLELLAN, of Tennessee.

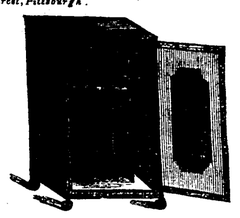
This preparation is so innocent, so efficacious, and so pleasant, that no child will refuse to let its gums be rubbed with it. When infants are at the age of four months tho' there is no appearance of teeth, one bottle of the Syrup should be used to open the pores. FIRE PROOF IRON CHESTS, *Manufactured by John Denning, Sixth street, above Chesnut street, Pittsburgh*.



Pittsburgh, June 13, 1839.

Mr. JOHN DENNING:—*Dear Sir*—Having been present yesterday, at the experiment which you were pleased to make, in the presence of a number of our business men, of the safety of your IRON CHESTS, in case of fire, it gives me pleasure to say, that so far as I was capable of judging, the test was fair, and the result exceeded my expectations.

The Chest was a small one, about 30 inches high, by about 18 or 20 inches in breadth and depth, and was placed on a block of wood about a foot in thickness, so as to elevate it about that height from the ground; several books and newspapers were deposited inside of it, in the manner in which Merchants and others would usually place them—a large quantity of light pine wood [stable from an adjoining Saw Mill,] was then placed around and above it, and the fire kindled on the windward side, so as to drive the flame against the back part of the chest. The fire was kept up about three quarters of an hour, until you had gone among the spectators and received from them their universal answer that the test was sufficient. The chest was then drawn out of the fire, and cooled, and opened, and examined. The contents were all safe, and the only injury done was to the back of one book which appeared to be a little charred. From what I witnessed, I think that these chests are deserving of confidence, as affording, perhaps, the best security for Merchants for their books and papers, which they can have without building large, thick, and expensive vaults. I would consider them a better security than many vaults which I have seen built. Your friend,
SAMUEL CHURCH.

We concur in the above statement, having been present when the chest was tested.

Extract of a Letter from Pugh & Alvord, dated Cincinnati, 29th March, 1842.

J. Denning, Pittsburgh, Pa: Respected Friend: We have the satisfaction to state as the best recommendation we can give of the utility of your Iron Safes, that we have one of them which was in an exposed situation in our counting room, at the time of the fire, on the morning of the 10th inst, which consumed our Pork House together with a large portion of the meat, lard, &c, which it contained;—and that our books and papers which were in the Safe, were entirely unhijured, and were taken from it after the fire; without ever being discolored.

Yours, &c. PUGH & ALVORD

Extract of a Letter from Slater & Holbrook, dated St. Louis, Feb. 24th, 1841.

MR. DENNING, *Dear Sir:* One of your second size chests was burned a few days ago, in a leather store—it preserved its contents. Respectfully yours,

TO FEMALES.—There is a large class of Females in this City who from their continued sitting, to which their occupations oblige them, are affected with costiveness which gives rise to palpitation at the heart on the least exertion, sense of heaviness extending over the whole head, intolerance of light and sound, an inability of fixing the attention to any mental operations; rumbling in the bowels, sometimes a sense of suffocation, especially after meals when any exertion is used, as going quickly up stairs; tempre fickle; these are symptoms which yield at once to a few doses of the Brandreth Pills The occasional use of this medicine would save a deal of trouble and years of suffering. One, or two, or even three of the Brandreth Pills just before dinner, are often found highly beneficial; many use them very advantageously in this way: they aid and assist digestion, restore the bowels to a proper condition, enliven the spirits, impart cleanness to the complexion, purify the blood, and promote a general feeling of health and happiness.

Sold at Dr. Brandreth's Office. No. 98 Wood street, Pittsburgh—Price 25 cents per box, with full directions.
