sets, who claimed their seats by virtue of the will off the constituency. Much difficulty was experienced in gathering up "raw recruits" to represent those districts which failed to send delegates; but this was soon settled to their entire satisfaction. Mai. Willock, (who has not heard of him!) made township delegation was a mason. He announced this fact to the astounded assembly, but before any action could be had ou this subject so important to mankind generally, and to autimasons in particular, the proscribed delegate withdrew from the touted, demolished, discomfitted at least them out a d took in the minority set. one of their arch enemies. The Major Petry r publicanism that, walked up and down the aisle in all the mejesty of a conqueror, saying, "did not

I do it that time?' Then came the tug of war. The south ward question was brought upon the carpet. The reading of the credentials of burglar and torger named Samuel Leggett. both sets of delegates was called for. The Secretary commenced by reading the "Law Chamber" (or more appropriate, "Star Chamber") credentials first, and the "Scotch Hill Coffee House" credentials next. He, (Mr. Errett) then made a speech in defence of the "Law Chamber" delegation. He gave a brief history of the case from the beginning. Agreeably to the call, the friends of a distinct antimasonic only eight of them, who were unable to stand up against the immates of the Mononschola House: Believing that they were

All is safe in the Granite State, and the principles of uncontaminated democracy have achieved a signal triumph. Henry Hubbard is chosed Governor, and John R. Reding, Edmund Burke, Meses Norris, jrand John P. Hale, are chosen members of Congress by a majority considerably above one thousand. For members of Assemb'y the democrats have elected one hundred and thirty; the whigs ninety-three; there are three whose politics are unknown, and 12 This great Convention which had for its

and Antimasonic parties, came off in fine probably have between thirty and forty majority. The Council also is democratic. No effort was left untried to break the near as we could judge, about two-thirds firm democratic phalanx, but all in vain; of the districts were represented; the Hall the traitors were rebuked; and the unchang was pretty well filled, however, by genuine ing principles of the State gloriously sus-
