ding fro the Saint Croix through the whole length of the boundary to the Lake of the Woods, with this strong rod line marked upon it, is known to hive been in existence, and in the same circumstances creating in the minds of some perto remit monies by drafts, which are made payable at any point throughout the United Kingdom on presents. Circumstances creating in the minds of some persons point throughout the United Kingdom on presents. Circumstances creating in the minds of some persons a surmise—we will not say as Mr. Feather-both sides the Atlantic are such as will give satisfaction. This man had been somehow connected with the business, he feels confident that his arrangements on both sides the Atlantic are such as will give satisfaction. The Shine comprising the above line arrangements on strong under 31 his map had been, somehow, connected with the both sides the Atlantic are such as will give satisfaction. This map had been, somenow, connected with the Ships comprising the above line, are all of the first treaty of 1783, or some of its negotiators. The The Ships comprising the above line, are all of the tirst class and are commanded by careful and skillful masters, leaving Liverpool once each week during the season.

For further particulars apply if by letter to

treaty of 1783, or some of its negotiators. The existence of this map, thus marked, came to the knowledge of a British gentleman now holding an office in one of the colonies, in the year 1823 are

office in one of the colonies, in the year 1833 or 1839, and he sought it out and obtained a sight of if in the city of New York. Thinking it might be a matter of some importance to his government; this gentleman had the map lithographed, and sent six copies to her M. j. st.) 's then secret. ry of state for fireign affairs, and an equal number to the scoretary of state for the colonies. It only need be added, that the English governe ment could, at that time, easily have possessed itself of this original map, with the original res BETWEEN PITTSBURGH AND mining the lithographic copies, and the informa-BETWEEN PITTSBURGH AND inining the ittingraphic copies, and the information communicated by its agent, that the map itself, and the circumstances connected with its

of their goods.

The rates of freight will be as low as by any respension only are in existence at Hampton Court, England The rates of freight will be as low as by any responsible carriers, and the facilities for giving satisfaction to customers in all respects are surpossed by no line on the canal. Shippers to and from the cast are respect.

In all respects of the canal control of the canal control of the people of Lystra attempting to offer sacrification of the canal control of the chapter of Acts. Twenty fire persons are represented upon this tapestry, of the heroic size, or larger than life, dramed in the costue of the first century, with all the peculiar passions and muscue lar powers brought out in great perfection. Ozen and sheep of all sizes, are also represented in the and sheep of all sizes, are also represented in the act of being sacrificed. A part of these tapestries were sent by pope Loo-X, as a present to Henry VIII., of England, and descended to succeeding kings until the tragical death of king Charles the first, when four of them were housely but to Charles the first, when four of them were bought by the Spanish ambassador in London, who carried them to MORROW

Alva. From a palace belonging to the dukes of that name they were purchased a few years since by our consul in Spain, and brought to this countries.

Three of them have been returned to Engage. Reeps constantly on hand a good assortment of wares, try. Three of them have been returned to Engage land, and are now in messagion of the row I for More Mormons. The Picayune states that on the 15th inst. three hundred Mur-

THE LITERARY POST.

Interesting relics of Judaism. - Amongsi, the personal property of the late Chief THE Subscribers having made arrangements to merge the American Manufacturer and Phisburgh Moreus paper with the title of the Daily Morning Post.

The leading object of the Post" will be the dissemination and defence of the political principles that have here papers, and their best efforts will still be devoted to the advancement and success of those doctrines.

Rabbi of the Jews. (Rev. Solomon Hereschel,) were found many rare and singular articles of value, which had been collected by him during the long period in which he held his high office. Many of these are observances of the Jews in the early ages.

We find the following articles enumerated advancement and steecess of those doctrines.

Although, in politics, the paper will be thoroughly democratic, yet the Editors hope, by giving an honest, candid history of passing Political events. Foreign and Domestic Intelligence and brief contices of all matcandid history of passing Political events. Foreign and Domestic Intelligence, and brief notices of all matters and occurrences that come properly within the sphere for a Public Journal, to make their paper sufficiently in eresting to entitle it to the patronage of the public, it respective of party considerations.

Rabbi, seems, indulged an epicurean rasce in his wines, some of which are specified as being of high value, and of an unusual character—Imperial Tokay forming the

red such accounts of the Markets and the State of Ergue | dication, having unusual interior around as will be advantageous to our Marchants and Eusiness | rarity; chalices and cups of great auticaption in their several callings. Men in their several callings.

Terms.—The Post will be published on a large imagenty, much prized from the offices to which destroffine paper, (manufactured especially for this they have been appropriated; one of large per annum, payable in advance. It will also, be sold by size, enriched with an infinity of ancient advance of TWO CENT'S a copy.

Coins of great value, considered incidnos exannum, payable in advance. It will also, be sold by exchanges at the low rate of TWO CENT'S a copy.

Coins of great value, considered unique; and one used from time immemorial for the harged by the other daily papers of the city.
35 TWENTY active lads are wanted-to sell the Post, sanctification of the Sabbath, possessing & single coin of the Emperor Vespasiau with the conquest of Judea, held in high veneration, having been presented by the great Mendelssohn; silver boxes for the palacteries, or sacred scrolls; and a castel used for the citron at the Feast of Taber Wickersham, corner of Wood street and Virgin alley Pittsburgh Pa. and H. Harwood, Beaver Pa., who appertaining to peculiar feasts and rites. M'Closkey's Clothing Store! tations of more recent date, including gold FRESH ARRIVAL OF NEW GOODS. watches, rings; walking canes, and ancient coins and medule; an extensive service of plate, with many valuable ornaments for ne table and sideboard, with electrifying

traits, with that of the late Chief Rabbi. THE FRANKLIN MAP. Every article was selected by himself in the easiern cl. therefore enabled to sell his articles much lower than they can be had at any other establishment west of the senately such a map in her possession. Mr. Foutherstouhaugh, an English treaty pamphletes

the British government had in its possession a Coats, Pantaloons, Vests, Drawers, Shirts, doubt, one of the maps mant by the negotiators in travers. Stocks. Gloves. Suspenders. 1783, which it never showed to the American And every other article of Clothing of the best style

Prom his varied stock of cloths he is prepared to the anterican government; and yet the agerican government is marked CLOTHES TO ORDER at the shortest sottle. In a style unsurpassed by any other Pittsburgh house, and warranted to At.

cannot be equalled in the west.

The subscriber would once more return his thanks to his friends and the public for the unprecedented patronals customers had found it to their advantage to deal with him, he would repeat his invitation to all those who wish to purchase Clothing of every description at his distance in the public for the unprecedented patronals that the Parisian map, it known to the British government, could have suggested to that government who wish to purchase Clothing of every description at his distance with a map in her own accounts and her own accoun his account of the matter, a far more authentic map; circumstances showing, as he says, without doubt, that that identical map was before the commissioners in 1775, when they negotiated the But there is evidence from another source. There is now in existence one of Mitchell's orl-

ginal large maps, such as is proved by Mr. John Adams, and admitted on all sides to have been be-On this map is traced a 'strong red line,' extending fro the Saint Croix through the whole length of the boundary to the Lake of the Woods,

The line has at a heavy expense taken a Policy of Insurance from one of the most substantial and prompt offices in the United States, covering all goods shipped by it, (fres of expense to the subsers of the goods.) Shipped pers desirous of availing themselves of this insurance must give notice at the place of shipment of the value of their goods.

100 In the place in tapestry the apostolical, 20 in height, made in Brussels exhibition at Amory Hall. The original tapes—tries, 25 in number, of different illustrations, were made at a cost of 70,000 crowns, of which a part
