DAILY MORNING POST.

THE Subscribers having made arrangements to merge the American Manufacturer and Plitsburgh Mercury into one Journal, have concluded to publish a daily paper with the title of the Daily Morning Post.

The leading object of the "Post" will be the dissemination and defence of the political principles that have bree tofore been maintained by the Editors, in their respective papers, and their bestefforts will still be devoted to the advancement and success of those doctrines.

Although, in politics, the paper will be thoroughly democratic, yet the Editors hope, by giving an honest candid history of passing Political events, Poreign and Domestic Intelligence, and brief notices of all matters and occurrences that come properly within the sphere of a Public Journal, to make their paper sufficiently in eresting to emitte it to the patronage of the public, irrespective of party considerations.

In addition to the political mod general news that will be found in the "Morning Post," the Editors will take pains to furnish the husinesss community with least and most interesting Community with least and most of the Markets and the State of Trade

On the third day, an answer came from the wife, captive brought out, tortured him by applying red hot iron to his flesh, and then buried him up to his neck in the earth, leaving only his head exposed to the burnhim suffer the torments of Tantalua; when-BLOOMS - 25 tons Blooms in Store and for sale by call for a drink, a glass of cold water was placed near his life, and then withdrawn;
