patrons of this city:—Having retired from the practice of Medicine, I may be permitted to say, that it has faften to the lot of tut few persons to have enjoyed so liberal or large a share of distretrical practice as my so illeral or large a share of obstretrical practice as my own has been for the last 30 or 40 years.

The experience of that long period of active life, and the fact of my having been twice, since 1830, associated with Dr. R. A. Wilson, in the practice of medicine, (in both a period of five years.) enables me to judge fully of the nerits of this puis.
So convenient, so efficient, and yet so safe, did I esteem these pills, that for the last five years in my practice for the cure of chronic diseases, of whatever name, and those d females in particular, I have used more of them than l other medicines.

Like every other medicine, this must fail in some in Like every other medicine, this must fail in some in stances, but in my hands there has been less disappoint nent and more satisfaction. In the administration of this nericand more satisfaction, in the administration of this one remedy than of all others; its good effects sometimes juite assonishing me.

If my patient required a safe aperient medicine either fore or after parturition, the Wilson's puls were just he thing I wanted.
If a dyspeptic acid condition of the stomach, combined with costiveness or inactivity of the liver, constituted the disease of my patient, the pills were just the thing I canted.
