A. HENDERSON & CO.,

THE LITERARY POST. We derive the following interesting sketch from an esteemed friend and corres-

ful, is now become historical. The wrinegotiations were going on between Prince the Champ de Mars, Officers who had just returned from the detested warfare in Spain. spoke of the conquest of Russia as a froile for a few months, from which they were sure to return covered with fresh laurels of victory. * They indulged in the most absurd speculations concerning the incidents and perils of the approaching campaign, and seemed as ignorant as they were resep 10 | zen plains of Russia. On the morning of the 9th of May, the triscolored banner of France no longer floated above the palace of the Tuilleries. Navoleon had departed with the Empress for Dresten, to play the part of 'king of kings.' The evening pre ceding. I saw him at the grand opera, which was then in the Rue Bichlieu. The Emthe box; behind them stood rows of officers the imperial household, in brilliant cose filled with dames d'honneur and distin-The whole audience arose to salute him,

> nation of his head before he took his seat. He remained until the ballet was nearly ended, and then took leave with the same careless ceremony with which he entered He appeared to take no interest in wha. was passing upon the stage, except for a ent. Occasionally he raised his hand dark curtian of futurity could have been lifted for a moment, what scenes and events would be not have beheld! Being very near, I kept my eyes rivitted upon him He was in a plain uniform of blue, with red cuffs and white facings, and wore the grand cross and riband of the legion of honor. His person was rather corpolent, but seemed muscular and active .covered with dark brown hair. His nose cal beauty. His visage was square, and his neck very short. His complexion was healthy, but colorless; his beard of bluish tinge. His face and expression were calm and grave, more benignant than commanding, and bore the aspect of a sculptured. Grecian marble. Now and then his features relaxed from their habitual expresion of melancholy into a smile of exquisite sweetness and good nature. His small triangular cocked-hat lay beside him, and nis hand, which was small, white, and plump, frequently rested upon the cushion before him. Although I had often seen him before, my mind always recurs to his whose genius had exalted him to the power and hastened his downfall. I find the presence of a man whose fame filled the universe, and in whom alone seemed embodied the power of moving the world. It excited emotions of sublimity akin to those felt upon seeing Mont Blanc, or the falls of Niagra; but more intense, more active, more reflective,"-Knickerbocker. The Latest Mystery -As a number of

idle rumors are about the city in relation to a certain affair, we think it proper to publish the facts. A young man of intemperate and vile liabits, entered about three came sick, and in about 8 or 9 weeks afterwards died of inflammation and general BLOUMS - 25 tons Blooms in Store and for sale my debility. The wound was probably the the state of the s
