Wheezing, Choking of Phlegm, Asthmatic Attacks, &c. &c. I should not have written this letter, however, at present although I have felt it my duty to add my testimony to it for sometime, had it not been for a late instance where the medicine above alluded to was instrumental in restoring to perfect health an "only child," whose case was almost hopeless, in a family of my acquaintance. "I thank Heaven," said the doctor, "for my child is saved from the jaws of death! O how I feared the relentless ravager! But my child is safe! Is safe!"

Beyond all doubt Dr. Swanwick's Compound Syrup of

that Cherry is the most valuable medicine in this or any other country. I am certain I have witnessed more than one hundred cases where it has been attended with complete success. I am using it myself in an obstinate attack of *Bronchitis*, in which it proved efficient in a remarkably short time, considering the severity of the case. I can recommend it in the fullest confidence of its superior virtues; I would advise that no family should be without it; it is very pleasant and always beneficial—worth double and often ten times its price. The public are assured there is no quackery about it. R. JACOBSON, D. D., Formerly Pastor of the First Presbyterian Church.

Dr. B. Brandreth's External Remedy, or Liniment  
which, by its extraordinary powers, abstracts Poisons from

Soreness; thus, Sprains, Efflux Sinews, White Swellings, Rheumatic Pains, or Stiffness, Stiffness of the Joints, Tumors, Unnatural Hardness, Efflux Neck Sore Throat, Group, Contractions of the muscles, Scrofulous enlargements, Tender Feet, and every description of injury affecting the Exterior of the Human Frame, are cured or greatly relieved by his *never-to-be-sufficiently-praised* remedy.

CERTIFICATE.—The following letter from Major General Sandford, as to the qualities of the External Remedy, speaks volumes:

New York, Feb. 9, 1842.

Dear Sir—Will you oblige me with another bottle of your excellent Liniment? It is certainly the best of the kind I have ever seen. It has cured entirely my son's rheumatism, about which I was so uneasy, and I have found it productive of immediate relief in several cases of external injury in my family. A few evenings since, my youngest child was seized with a violent attack of Croup, which was entirely removed in twenty minutes, by rubbing her chest and throat freely with the External Remedy. I think you ought to manufacture this Liniment for general use, instead of confining the use of it, as you have heretofore done, to your particular acquaintances.

Yours truly, C. W. SANDFORD.

It is equal to the best made in the Union and not surpassed by the best winter strained sperm oil either for machinery or burning, without its offensive properties, and one dollar cheaper. **THE ABOVE IS WARRANTED TO BURN IN ANY TEMPERATURE.** The subscriber wishes to impress distinctly on the public mind that it is not necessary to purchase any new kagled lamps that are daily palmed upon them as being requisite to burn the old oil in. Persons wishing a pure and brilliant light can obtain it by calling at the old stand, 3d street, nearly opposite the Post Office.

The attention of Wholesale dealers, Churches and  
 Families respectfully solicited.

**FASHIONABLE BOOT MAKING.**  
**PERRY** takes this method of informing the public  
 in general, that

...he continues to carry on the shoe business in the MONONGAHELA HOTEL BUILDING, 101 Water street, where, with strict personal attention, he hopes to please all who will favor him with their patronage. From his long experience in the business, he recommends himself that his work cannot be excelled in neatness and durability, at least west of the Mountains; but is useless to boast—a free trial is the best evidence. He sells the famous manufacturers' boots at various prices, from as low as five dollars up to his best quality, which he affords at seven dollars per pair.
