TO THOSE WHOSE OCCUPATIONS TEND TO PRODUCE OR AGGRAVATE DISEASE.—This class of individuals is very numerous. They are those who work in an unhealthy atmosphere. Printers, workmen in feather stores, stone cutters, bakers, white lead manufacturers, are all more or less subject to disease according to the strength of their constitution. The only method to prevent disease, is the occasional use of a medicine which abstracts from the circulation all delete-rious humors, and expels them by the bowels. Tonics in any form are injurious, as they only put off the evil day to make it more fatal. The use of Brandreth's Pills will insure health, because they take all impure matter out of the blood; and the body is not weakened but strengthened by their operation, for these valuable Pills do not force, but they assist nature, and are not opposed, but harmonize with her.

LA! what makes your teeth so unusually white?
Quoth Josh's dulcinia to him t'other night.
To make yours look so, with a grin, replied Josh,
I've brought you a bottle of Thorns' Tooth Wash.
'Tis the best now in use, so the gentlefolks say,
And since they have tried this, cast all others away.
But to prove it the best, to make the teeth shine,
Look again, my dear Sal, at the lustre of mine.
Then try it is great tooth wash,
The Teaberry tooth wash,
And see if this Tooth Wash of Thorn's is not fine.

Having tried Dr. Thorn's Tea Berry Tooth Wash, and become acquainted with the ingredients of its composition, I cheerfully say, I consider it one of the safest, as it is one of the most pleasant Tooth Washes now in use.

Pittsburgh Sep. 15, 1842. DAVID HUNT, Dentist.

I take pleasure in stating, having made use of "Thorn's Tea Berry Tooth Wash," that it is one of the best detrifices in use. Being in a liquid form, it combines neatness with convenience. While it cleanses the enamel and removes the tartar from the teeth, its perfume yields a fragrance peculiarly desirable. J. P. TIBBETTS. M. D.

The undersigned, have used "Thorn's Compound Tea Berry Tooth Wash," and have found it to be an excellent article, possessing every useful property. It is peculiarly pleasant and beneficial, exercising a most salutary influence over the Teeth and Gums; preserving those indispensable members from premature decay, preventing the accumulation of Tartar, and purifying the Breath. Having thoroughly tested its virtues, we take pleasure in recommending it to the public, believing it to be the best article of the kind now in use.

INTERESTING CURE *performed by Dr. Swayne's Compound Syrup of Prunus Virginiana, or Wild Cherry.* Having made use of this Invaluable Syrup in my family, which entirely cured my child. The symptoms were wheezing and choking of phlegm, difficulty of breathing, attended with constant cough, spasms, convulsions, &c. of which I had given up all hopes of its recovery until I was advised to make trial of this invaluable medicine. After seeing the effects it had upon my child, and concluding to make the same trial upon myself, which entirely relieved me of a cough that I was afflicted with for many years. Any person wishing to see me can ca at my house in Beach Street, above the Market, Kensington. J. WILCOX.

Dd. SWAYNE'S SYRUP OF WILD CHERRY.

We call the attention of the public to the numerous certificates which have been in circulation in our paper and some others of this city, highly recommending Dr. SWAYNE'S Compound Syrup of Wild Cherry.—We have seen the original certificates, and have no doubt but they come from truly grateful hearts, expressive of the benefits which they have received from that valuable compound. We have acquaintances who have frequently used the above medicine, who can speak with confidence of its virtues.—*Saturday Chronicle.*

FELLOW CITIZENS:—With sincerity I would advise you, one and all, both sick and well, always to have a bottle of Dr SWAYNE'S Compound Syrup of Wild Cherry in your house—it is invaluable in cases of emergency, such as Spitting of Blood, Asthma, attacks of violent Coughing, which is often the cause of spitting of blood, Violent Nervous Affections, which occasionally come from fright, and various other causes, producing great alarm, sudden colds from improper exposure, which are often let run to an alarming extent, for want of means being ready at hand;—and as I have used Dr. SWAYNE'S Compound Syrup of Wild Cherry repeatedly in my family, and always with marked success—I can recommend it with confidence, as being one of the best family medicines which has ever been offered to the public.—*Saturday Chronicle.*

PITTSBURGH, OCT. 22, 1842.

J. DENNING—On Friday, the 30th of last month, about 9 o'clock at night, the Planing, Grooving and Sash Manufactory, owned by Gay, Dilworth & Co, with a large quantity of dressed and undressed lumber, was all consumed by fire.

The Iron Safe which I bought of you some time back was in the most exposed situation during the fire, and was entirely red hot—I am pleased to inform you it was opened at the close of the fire, and all the books, papers, &c. saved;—this is the best recommendation I can give of the utility of your safes.

Fire is positively rendered harmless. ($10 has been offered six months to any person returning an empty box, and saying that all agony on anointing is not extracted in a few minutes, yet not one from thousands of trials since has claimed the bonus.) Parents anxious to guard against general injuries, and save time, fortune and life, and prevent their offspring from being disfigured by burns, or even small pox pustules, (it possessing the enviable power to replace the cellulitary organs destroyed,) can do so by obtaining this inimitable salve. Many deeply burnt cases in the city can be seen, and one entire face burnt over and wounded three distinct times in the same spot while healing, yet in no case can be traced the least cicatrice or mark! For all kinds of hurts its rapid soothing effects are also important; even sore eyes, all inflamations and broken breasts would be unknown. The toilet and nursery, for clearing the skin of pimples, removing chafe, etc., will find it indispensable. One using only will forever establish it the sovereign *HEAL ALL* quality. After this notice, heads of families allowing torture for months, and ultimately distorted features, can never wipe away reproach, justly uttered by a disabled child, for neglecting to triumph over fire.

Headache! Headache!

Dr. BRODIE'S ANTI DYSPEPTIC PILLS.

ARE now known to thousands as a most extraordinary remedy for this affliction as well as all stomach complaints. It is an indisputable and incontrovertible fact of their curing DYSPEPSIA. Will those suffering only ask among their friends if they have not known of the *positive effects* of said Pills, and if they do not hear them more warmly praised (and deservedly too) than any other, then let them not buy them. In these few remarks, all fancy or imagination is excluded, and nothing will be said of their merits at any time but what can be fairly proved by respectable members of our community.

Read the following certificate given by a respectable citizen of Allegheny city, and attested by one of the judges of the Court of Common Pleas of Allegheny co.

ALLEGHENY CITY, January 9, 1843.

DR. BRODIE.

Dear Sir—I have for a number of years past been afflicted with a severe and almost constant Headache, arising from derangement of stomach and bowels and although I have taken nearly every kind of Medicine recommended for its cure, have never derived any material benefit until I used some of your truly valuable Anti Dyspeptic Pills. I have not taken quite two boxes and consider myself perfectly relieved from that distressing complaint. I have no hesitation in recommending your Pills as the best medicine I have ever used.

Yours, Respectfully,

TO INVALIDS.

How important it is that you commence without loss of time with BRANDRETH'S PILLS. They silently but surely remove all impurities from the blood, and no case of sickness can affect the human frame, that these celebrated Pills do not relieve as much as medicine can do. Colds and coughs are more benefitted by the Brandreth Pills than by lozenges and candies. Very well, perhaps, as palliatives, but worth nothing as eradicators of diseases from the human system. The BRANDRETH PILLS cure, they do not merely relieve, they cure diseases, whether chronic or recent, infectious or otherwise, will certainly be cured by the use of these all sufficient Pills.

CURE OF A CANCEROUS SORE.

SING SING, January 21, 1843.

Doctor Benjamin Brandreth—Honored Sir: Owing to you a debt of gratitude that money cannot pay, I am induced to make a public acknowledgemhnt of the benefit my wife has derived from your invaluable pills. About three years this winter she was taken with a pain in her ankle, which soon became very much inflamed and swollen, so much so that we became alarmed, and sent for the doctor. During his attendance the pain and swelling increased to an alarming degree, and in three weeks from its first commencing it became a running sore.—She could get no rest at night the pain was so great.—Our first Doctor attended her for six months, and she received no benefit whatever, the pain growing worse, and the sore larger all the while. He said if it was healed up it would be her death, but he appeared to be at a loss how to proceed, and my poor wife still continued to suffer the most terrible tortures. We therefore sought other aid in a Botanical doctor, who said when he first saw it that he could soon cure the sore, and give her ease at once. To our surprise he gave her no relief, and acknowledged that it baffled all his skill.

Thus we felt after having tried during one whole year the experience of two celebrated physicians in vain, in absolute despair. My poor wife's constitution rapidly failing in the prime of her years from her continued suffering. Under these circumstances we concluded that we would try your Universal Veget able Pills, determined to fairly test their curative effects. To my wife's great comfort the first few doses afforded great relief of the pain.

Within one week, to the astonishment of ourselves and every one who knew of the case, the swelling and the inflammation began to cease so that she felt quite easy, and would sleep comfortably, and, sir, after six weeks' use she was able to go through the house, and again attend to the management of her family, which she had not done for nearly 14 months. In a little over two months from the time she first commenced the use of your invaluable Pills, her ankle was quite round, and her health better than it had been in quite a number of years before. I send you this statement after two years test of the cure, considering it only an act of justice to you and the public at large.

We are, with much gra itude,
Very respectfully,
TIMOTHY & ELIZA A. LITTLE.

P. S. The Botanical Doctor pronounced the sore cancerous, and finally said no good could be done, unless the whole of the flesh was cut off, and the bone scraped.—Thank a kind Providence, this made us resort to your pills, which saved us from all further misery, and for which we hope t be thankful. T. & E. L.

PILES cured by the use of Dr. Harlich's Compound Strengthening and German Aperient Pills

Dr. Harlich—Dear Sir—Shortly after I received the Agency from you for the sale of your medicine, I formed an acquaintance with a lady of this place, who was severely afflicted with the Piles. For eight or ten years this lady was subject to frequent painful attacks, and her physician considered her case so complicated, that he very seldom prescribed medicine for her. Through my persuasion, she commenced using your Pills, and was perfectly cured. Yours, &c. JAMES R. KIRBY

CERTIFICATES.—Letter from the Hon. Abram M'Clellan, Sullivan County, East Tennessee, Member of Congress.

WASHINGTON, July 3d. 1838.

SIR—Since I have been in this city I have used some of your Dyspeptic medicine with infinite benefit and satisfaction, and believe it to be a most valuable remedy. One of my constituents, Dr. A. Carden, of Campbell county, Tennessee, wrote to me to send him some, which I did, and he has employed it very successfully in his practice, and says it is invaluable. Mr. Johnson, your agent at this place, thinks you would probably like an agent in Tennessee. If so, I would recommend Dr. A Carden, as a proper person to officiate for the sale of your celebrated medicine. Should you commission him he is willing to act for you. You can send the medicine by water to the care of Robert King & Sons, Knoxville county, Tennessee, or by land to Graham & Houston, Tazewell, East Tennessee. I have no doubt but if you had agents in Tennessee, a great deal of medicine would be sold. I am going to take some of it home for my own use, and that of my friends, and should like to hear from you whether you would like an agent at Blountville, Sullivan County, East Tennessee; I can get some of the merchants to act for you as I live near there.

Yours respectfully,

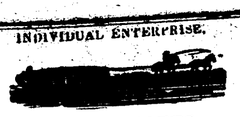
INDIVIDUAL ENTERPRISE.



UNITED STATES
PORTABLE BOAT LINE.

For the Transportation of Merchandize and Produce Between
PITTSBURGH AND PHILADELPHIA AND PITTSBURGH AND BALTIMORE.
NEW YORK AND BOSTON.

DEVINE & MCNAULTY respectfully inform the public that they have completed their arrangements for the above Line on

INDIVIDUAL AND INDEPENDENT PRINCIPLES.

The public has long wished for Individual competition in Transportation on the Public Works, by which alone it can be freed from unnecessary expenses and reduced to its lowest rates; that wish will now be realized; the State of Pennsylvania having placed Trucks on her Rail Roads. Individuals owning Portable Boats are enabled to bid for the Carrying Trade and successfully to compete with companies.

This line is composed of Twenty new, Four Section Portable Boats, owned by the Captains who command them and well known as enterprising, industrious and experienced Boatmen.

The superiority and advantages of the Portable Boat over every other mode of Transportation, are too well known to shippers generally, to require comment; suffice it to say, that the *detention, loss, separation and damage to Goods*, invariably attending *three Transhipments* between Pittsburgh and Philadelphia are by the Portable Boat most effectually *removed*

The Portable Boat possesses the great advantage too, of being well *ventilated* and *cool* in *Summer*; which prevents *Flour from souring*, and Bacon and Tobacco from sweating.

Devine & McAnulty, standing as they do, between the owners of goods and the Boatmen who carry them, and equally interested in protecting the interests of *both*, will make no promises to the public they will not faithfully perform.

They are now prepared to receive and forward Produce to Philadelphia, Baltimore, New York, and Boston in the shortest time, and pledge themselves to enter into no combination with other Lines, but always stand ready to carry out the principles of their Line, and contract for freight on the very lowest terms.

☞To give undoubted security to owners and shippers of goods an open policy of Insurance has been effected, by which all merchandize shipped by this Line will be Insured without any additional expense to the owner.

Devine & McAnulty will receive all produce consigned to them at Pittsburgh, pay freight and charges to Steam Boats and forward the same without delay to Philadelphia, Baltimore, New York, and Boston without any charge for advancing or commission.

NEW A LA MODE.

THE undersigned respectfully informs the public that after several years experience in the best shops in the eastern cities, they have opened their New a la mode in Third st., one door from Market, and nearly opposite the post office, where they are prepared to execute all orders in the tailoring line, in a manner unsurpassed by any other establishment in the city. Having made a study of the reception of the most modern style of fashions, gentlemen wishing clothes made in a superior style, would find it to their interest to give them a call.

We wish the public to understand that this is not intended to rank among the fulsome gull advertisements of the day; for as to style and workmanship they challenge competition. SCULLY & MONTAGUE.

BRANDRETH'S PILLS,
SECURED BY LETTERS PATENT OF THE UNITED STATES.
THE METHOD OF PREPARING THE BRANDRETHIAN VEGETABLE EXTRACTS.

Caveat entered 9th June, 1842—Patent granted to Benjamin Brandreth, 20th January, 1843.

The extracts of which Brandreth's Pills are composed are obtained by this now patented process, without boiling or any application of heat. The active principle of the herbs is thus secured the same as it is in the

LIVING VEGETABLE.

The Public should be cautious of medicines recommended in advertisments stolen from me, in language, merely altering the name. Time will show these wholesale deceivers in their true light,

THE MEDICINE OF THE PEOPLE.

☞ BRANDRETH'S PILLS are the People's Medicine, proved by thousands who daily recommend them to the afflicted. The BRANDRETH PILLS are growing every day more popular, their virtues are extending their usefulness. The sick of both sexes are daily deriving benefit from them. No case of disease but they can be used with advantage. Blotches or hard lumps of the skin they speedily cure, so with erysipelas, so with salt rheum, so with indigestion, so with coughs and colds, so with costiveness, so with cancer, so with hot parched lips and canker in the mouth. Let the afflicted use this medicine, and they will find they require no other.

Sold at 25 cents per box, with directions.

Observe the new labels each having upon it two signatures of Dr. Brandreth. So each box of the genuine has six signatures—three Benjamin Brandreth and three B. Brandreth upon it.
