FASHIONABLE BOOT MAKING. B PERRY takes this method of informing the public in general that he continues to carry on the above business in the Monorganeta House Buildings No I Water street, where, with strict personal attention he hopes to please all who will favor him wish their patronage. From his long experience in the fusiness, he flatters himself that his work cannot be excelled in neathers and durability, at least west of the Mcumalant but it is made and the formula of the flatters of th hers and durantity, at team west of the meuntains; but it is unders to boast—a fair triel is the best evidence. To suit the times he manufactures Boots at various asices; from as low as for dellars up to his best quality which he affords at seven dollars per pair. The state of the s
